SUBJECT: Administratively Determined (AD) Pay Rates for Type 3 General Staff Positions

The Incident Business Committee recently identified that the Type 3 General Staff positions added to the PMS 310-1 in October 2014 were inadvertently omitted from the Incident Pay Matrix for both the Forest Service and Department of Interior 2015 AD Pay Plans.

The 2015 pay rates for these positions are established as follows:

Finance/Administration Section Chief Type 3 (FSC3)	AD-J
Logistics Section Chief Type 3 (LSC3)	AD-J
Operations Section Chief Type 3 (OPS3)	AD-J
Planning Section Chief Type 3 (PSC3)	AD-J

Please share this information with the field and hiring unit personnel. These positions will be included in the 2016 AD Pay Plan when it is published.

If you have any questions, please contact your appropriate agency IBC representative.
