0 1 2 Nautical Miles

This map was produced by the Caddo National Grassland on 12/13/2020. GIS data and product accuracy may vary. This map is not to be used for navigational purposes. It is only to be used as a supplemental means of identifying vertical obstructions and other known hazards. The Caddo National Grassland reserves the right to update, modify, or replace any or all of this data without notifying users. For more information, contact: Supervisor's Office NFGT 936 639.8501.

Note to Pilots and Cooperating Agencies: Not all aerial wires, cableways, and obstructions that could be hazardous to aircraft are shown on this map. Please use extreme caution when flying in unfamiliar areas.
