**Intermountain Region (R4) Fire Hire
Outreach Notice—Wildland Fire Positions
GS-462-04 - GS-462-09
January 1, 2012**

The Intermountain Region is looking for a committed, hard working, highly skilled workforce to work in wildland fire suppression and in fuels management on 12 national forests located in Idaho, Nevada, California, Utah and Wyoming. The fire and aviation management program is very rewarding and requires talented people working safely as part of a team in a variety of specialized positions; including dispatch, engine crews, fuels management, hand crews, helitack, interagency hotshot crews, smokejumpers and prevention.

It is important that applicants understand, although a current position may not be vacant, it could become vacant and filled during the selection period. This is called the backfill process of fire hire. Interested individuals should apply to **all** positions and locations where they would be **willing** to accept a job offer, whether the position(s) are currently vacant or not.

For full consideration for the positions please respond to the outreach if you are interested in filling either a vacant position or one that may become vacant through the Fire Hire process. Your response is important. Please address your outreach response to the contact listed for each location. Additional information about the position is available from the direct supervisor.

All applicants must attach a current copy of their IQCS Master Record or equivalent to their AVUE application showing that they meet the Interagency Fire Program Management (IFPM) qualification requirements. Recommended documentation type is .PDF or .DOC. Please contact your servicing Dispatch Center to obtain a copy of this record and ensure that you have it attached to your AVUE application prior to submission. For more information on IFPM and FSFPM qualifications refer to the IFPM web page at <http://www.fs.fed.us/fire/management/ifpm/index.html>

Note: Interagency Fire Program Management (IFPM) qualifications must be met prior to selection. Forest Service – Fire Program Management (FS-FPM) qualifications must be met by October 1, 2013.

For outreach information go to the R4 outreach map and click on the Forest that you are interested in working on. http://www.fs.fed.us/r4/fire/r4fire_hire/ There will be a list of vacant positions and positions that have the potential to become vacant during the selection week. Apply to positions via the AVUE Digital Services system at <https://www.avuedigitalservices.com> on or before **January 23, 2012**. **If you do not have a permanent job with the government or you are a temporary you need to apply through the DEMO process. Pick the OCR number you want to apply to and put a DP at the end of the number. Example OCRP-FEO(H)-462-7DP If you are a permanent government employee you need to apply to the Merit Promotion. You will put a G after the OCR number. Example OCRP-FEO(H)-462-7G**

The Process and Timeline

January 2, 2012—Outreach begins. Information is available on the Intermountain Region's website listing all vacant permanent fire vacancies and locations from the GS-0462-04 through 09 levels.

January 23, 2012—Application deadline. Apply through AVUE Digital Services. Applicants are encouraged to apply for multiple locations (**where you will accept a position if offered**), even if vacancies for certain locations are not listed as vacant, as vacancies may occur during the hiring process.

March 5, 2012—Application evaluation week. Subject matter experts will evaluate applications using a defined set of criteria.

March 12, 2012—Selection week. Representatives from each forest will make recommendations for hiring. Applicants selected will be notified by a Forest Service representative by phone. Applicants not selected should be notified by HRM via e-mail.

April 2011—First possible effective date (excluding drug testing, transfer of station, and less than Permanent Full Time appointments).

Please return the following Outreach Response Form, and also include a brief statement or resume that describes your related experience by February 6, 2012. **Reply to manager listed on outreach.**
