

## **Air Tanker and Lead Plane Orders**

- » Always order as "Air Tanker, Type 1 or 2" from closest ATB, then NRCC
- » Always order a LP with an AT
- » Are Frequencies & Lat/Long correct?
- » Air to Ground Contact identified?
- » **Enter Values at Risk in Special Needs, such as:**
  - **Human Life:** Entrapment, Reinforce Escape Route, Safety Zones, Medivac, Highways, Rec. Areas?
  - **Communities:** Community Infrastructure, Historically significant cultural resources
  - **Property:** Primary Residences, Seasonal, Commercial, Outbuildings, Livestock
  - **Natural Resources:** T&E Species, Wildlife Habitat, Grazing Allotments, Designated Critical Areas
- » **Timeframe of Threat:** Imminent? (w/in operational period), 24hrs, etc.
- » **Other Hazards? Reload Base Correct?**
- » **Descriptive Location**
- » **Elevation – for SEAT orders**
- » **Send Kneeboard Aircraft Disp form directly to filling center**
- » **Send "Commit" message /Notify NRC**
- » **Loaded or Empty -- Empty, if > 2hr flt time for AT**
- » **Release ATs** from Tactical screen, use 'Release to Base'

## IA Smokejumper/Rappeller Requests

- From 'Aircraft Groups' order "Load Smokejumper/Rappeller, Initial Attack", "without Configuration" from closest jump base, then NRCC
- In **Special Needs** block, identify: Estimated Size, Position on Slope, Aspect, Est. # of SMJs Needed, ICT3 Needed
- Are Frequencies correct? Lat/Long correct?
- Air to Ground Contact identified?
- Other Hazards? Descriptive Location? Elevation?
- Send Kneeboard Aircraft Dispatch form directly to filling center
- Send "Commit" message/Notify NRC

### **Air Attack Orders** Order Fixed Wing-Air Tactical

- Ask ordering person - Twin or Single engine?
- High or Low Wing? TCAS/TCAD? Pressurized? IFR?
- De-Icer? Type of Avionics Pkg (1,2,3,4)? **See ROSS AC below**

### **Temporary Flight Restrictions**

- FIRST always request an "Air to Air AM" frequency on ROSS A#
- Fill out TFR form, email/fax to NRCC
- Is Lat/Long correct?
- Order on ROSS A# from 'Service-Aviation'

### **ALL CWN ROSS AC Orders**

- When filling all CWN AC orders, identify in **Documentation** the parent contract hired under based on host agency of incident, ie: FS or OAS **5/2016**

## IA Smokejumper/Rappeller Requests
