Remarks:

IC's/AC's are requested to provide additional information in regard to critical resource needs. Along with the type and number of resources needed, identify threats to be mitigated, critical objectives to be accomplished, and consequences of not receiving requested resources. Consequences should be stated in terms of incident threats as well as inability to effectively utilize other resources already onsite. This information will be discussed during the daily conference calls at 0730. An updated conference call agenda will be posted on the NW MAC website: http://www.nwccweb.us/admin/nw_mac.asp
