Documentation of NW MAC Decisions

Decision 58
September 12, 2024

National Preparedness Level	Northwest Preparedness Level
5	5

Strategic Intent

- Continue to support initial attack, emerging incidents, and new IMT deployments.
- Utilize resources for suppression repair work only associated with critical values at risk that are directly tied to life safety and infrastructure.
- Work with Agencies/IMTs to develop strategy and tactics considering span of control, limited resource availability, and cumulative fatigue.
- Implement strategic resource placement commensurate with predicted fuels and fire weather conditions.
