

## Rocky Mountain Area VIPR Equipment/Service Items Ordering Guide, 2013 - DRAFT

**RI = Resource Item.** The equipment is entered in ROSS as separate items (Can and should be statused in ROSS)

**SI = Service Item.** Only the contract is entered in ROSS and will need to be “filled with agreement” option. (These items can’t be statused in ROSS.)

If, when ordering contracted resources, they are not listed in ROSS by type (1, 2, etc), you must enter the information in Special Needs to ensure the incident gets what it needs.

Sport Utility Vehicle-w/driver. Min. 5 pax. (SI) New for 2013 in RMA	???							
Van Passenger w/driver (SI) 7-9 Passenger	Transportation -> Transportation – Van, Passenger							

\* According to the National Interagency Dispatch Standard Operating Guidelines for Contracted Resources, June 2012, ATV/UTV's are supposed to be a Service Item but Rocky Mountain chooses to enter them as Resource Items.

The contract types for Service Items are listed as Purchase Agreements (PA) to give them a different look than the Call When Needed (CWN) Resource Items.

**Rocky Mountain Area**  
**VIPR Equipment/Service Items Ordering Guide, 2013 - DRAFT**

Service Item (SI) resources will have only the contract entered in ROSS. Type of contract for Service Items will be PA instead of CWN for Resource Items. The orders for SI resources will be filled using the “Fill with Agreement” option. **Example: To be updated.**
