RMCG officers will include a Chair and Vice-Chair. Each will serve a one-year term. The rotation of the Chair will follow the rotation list in the RMCG Operating Plan. The Vice-Chair will be the representative from the next agency in line, and will assume the Chair position as it becomes vacant. A Business Manager for RMCG will be hired/retained pending availability of funds. The USFWS will host the position and provide administrative supervision/services. Funding for salary will be provided on an interagency basis.

Operating Guidelines and Procedures

The RMCG shall have an Operating Plan to provide protocols and procedures for conducting RMCG business. The Plan provides operating details for many sections of this Charter, and is updated regularly.

RMCG/MAC will follow the Revised Consensus Decision Model posted on RMCG's webpage and as an attachment to the RMCG Operating Plan. Decisions will be archived in a decision log. A sample of an RMCG Action Log is presented as an attachment to the RMCG Operating Plan.

Where there are two or more representatives from individual RMCG member agencies and states, a unified agency and/or state position is preferable in the decision making process. Representatives will convey their viewpoints in the consensus-based decision process or, as needed and agreed to, through a peer representative of a sister agency or state.

Conflict of Interest

RMCG members are expected to express opinions on different issues based upon their professional knowledge and the interests of the Agency they represent. However, biased opinions concerning issues which may affect the personal interests of the member are considered unprofessional and may conflict with the best interests of the Interagency fire community as a whole (Conflict of Interest).

Therefore, members are expected to abstain or recuse themselves from any issue in which they have a Conflict of Interest. This would include, but is not limited to, participating in an investigation or deliberation; establishment of an adverse policy; and/or drafting of corrective action regarding: 1) any group of which they are a member, including RMA Incident Management Teams; 2) their personal fire qualifications or eligibility to participate in an activity; and/or 3) the qualifications, eligibility or participation of any person with whom they have a close personal relationship.

Members who do not remove themselves from these situations may be required to do so by the majority of the RMCG membership.

Meetings and Reports

The RMCG shall confer monthly or as necessary to conduct business. Three meetings each calendar year will be held at locations to be determined by the member organizations through their representatives. The Group shall also meet upon the call of the Chair at a location to be determined by the Chair. The Chair shall submit necessary reports and have minutes prepared for each meeting and distributed to the members.

Monthly meetings shall focus on program coordination and incident management team oversight. Three times each year, meetings shall focus on standards, guidelines, and training and certification issues in interagency wildland fire operations. A quorum for conducting business shall be a minimum of two-thirds (currently nine) of the members.

Permanent Standing Committees

Interagency Standing Committees are established through RMCG direction. Issues and concerns of mutual interest will be assigned to the appropriate committee by RMCG. The RMCG will provide direction, oversight, and a Liaison to each Standing Committee. RMCG will dissolve any committee when determined it is no longer effective or needed.

Each Committee will have a charter with a mission and a purpose statement. Committee charters will be modified and/or approved by the RMCG and are attachments to the RMCG Operating Plan. Committees will elect a Chairperson. Minutes of meetings will be taken and distributed to Committee members, the RMCG Business Manager, and Chairs of other Standing Committees.
