

**RMA ROSS Aircraft Ordering Reminders for:  
Air Tankers, Lead Planes, ASM's,  
Smokejumpers & Frequencies**

**RMA Heavy Air Tanker and Lead Plane/ASM Requests**

Order as "Air Tanker, Type 1 or 2"

Consider ordering a Lead/ASM with the Air Tanker.

Reload Base identified.

Loaded or Empty? (Generally 2 hour max flight when loaded)

Is Lat/Long correct on order?

Frequencies Correct? A/G Ground Contact identified?

Any hazards in the area?

Other Aircraft in the area? Or Aircraft *coming into* the area?

Elevation

Descriptive Location

Values at Risk (enter in Special Needs)

Maintaining initial attack capability

Life Safety / Threats to Life

Threats to Property

Community Infrastructure

Historically Significant Cultural Resources

Principal Residence

Non-Principle Residence

Out-Buildings

Forest / Range Improvements

Threats to Natural Resources

High Value (\$) Resources

Threatened & Endangered Species Habitat

Critical Habitat

Key Habitat

Sensitive Species Habitat

Critical Winter Range

## **RMA Initial Attack Smokejumper Requests**

For IA, always order as "Load Smokejumper, Initial Attack" (Aircraft Group)

Is Lat/Long correct on order?

Frequencies Correct? A/G Ground Contact identified?

Any Hazards in the Area?

Known Wilderness Area? Chainsaws permitted?

Other Aircraft in the area? Or Aircraft coming into the area?

## **RMA Frequency Requests**

Frequencies should be ordered in ROSS as:

Air to Air AM

Air to Ground FM

If activity increases to the point of needing Initial Attack Tertiary Frequencies, place the order with RMC, who holds resource items to fill.
