MORALE OF CREWS: Good to Excellent

INJURIES: None today. Crewmember may need assistance again for prostate issue.

MESSAGE: Issue with AAA batteries; night crews have not been able to obtain AAA batteries for headlamps from supply. IARRs have provided them with some. However, we think this is a serious concern for night crews and have voiced concern at ICP.

IARRs will visit each crew tomorrow if possible, expanded dispatch and fire camp. Potential bear issues at spike camp for MS Crew #50 and VICC Crew #52, cautions issued for food storage, etc. Expect additional spike camp situations in the future.
