Appropriate attire

Our office is in a professional office building. In order to maintain a professional atmosphere, we request that visitors and detailers wear casual office-style apparel. The temperature setting for the entire building is set on a computer and it is difficult to keep the temperature comfortable for everyone. We recommend that you bring a sweater or light jacket to ensure your comfort.

Confirm the nightly rate is at or below the maximum allowable rate (currently \$138) before reserving a room. We recommend checking for the "best available rate" because it may be lower than the hotel's "government rate."

Rental cars

Not every detailer will be authorized for a rental car while here. If you are on a resource order, double-check with your dispatch center before making a rental car reservation. Of course, you may choose to rent a car **at your own expense**.

Even if you are authorized for a rental car, we recommend taking MARTA – if you will be arriving before 8 PM – or a shuttle van to avoid having to drive through downtown Atlanta traffic. (Be aware that most shuttle vans make their last run from the airport at 11 PM.) It is possible to can pick up a rental car from a nearby Avis, Enterprise, or Hertz office after you arrive.
