MESSAGE: Crews C-33, C-34, and C-35 continued to construct contingency lines in identified areas south of the current fire perimeter Crews C-36 and C-37 were again placed in staging for the shift. As of this report 3 of the 5 crews are have incident rental trucks for transport. The other two crews continue to be transported by buses (additional rental trucks are scheduled to arrive tomorrow).

IMT California 1 (McGowan, Type 1 Team) continue to be in charge of fire operations. Favorable weather is predicted through the next 48hrs which should yield a significant increase in containment percentage.

IARR Jackson and IARR (t) Collins have been making contact with the IMT and contacting other SA resources on the incident to let them know of IARR support availability if needed.
