The Great Basin CISM Program is sponsoring an Advanced Critical Incident Stress Management (CISM) training, March 30-31, 2020 at the Great Basin Training Center, Boise, Idaho. The Advanced Crisis Intervention course builds on the knowledgebase which was obtained through the Individual Crisis Intervention and Group Crisis Intervention course, but focuses on crisis intervention involving Line of Duty Death (LODD), suicide, etc.

Advanced crisis intervention strategies in complex critical incident situations will be emphasized along with consequences of traumatic stress after a fatality. Designed for law enforcement, fire, aviation, and agency personnel who will be trained to identify ways to support their peers who have experienced fatalities or a line of duty death.

**Program highlights:** Group exercises on how to manage complex crisis interventions after a fatality. The course will provide information about coordination and interaction with Coordinated Response Protocol (CRP), Serious Accident Investigations (SAI) multiple incidents, etc. This class is being taught in conjunction with the Strategic Response to Crisis, April 1st - 2nd.

**Instructor:** Daniel W. Clark, Ph.D.
International Critical Incident Stress Foundation (ICISF Instructor).

**Dates:** Begins 0800 on Monday, March 30th and concludes at 1700 on Tuesday, March 31st. The Strategic Response to Crisis class starts April 1st.

**Tuition:** No tuition charged. Travel is the responsibility of the sending agency.

**Prerequisite:** Basic Individual Crisis Intervention and Peer Support & Group Crisis Intervention (CISM)

**Registration:** Nominations must be received by email to nicholas.bohnstedt@usda.gov, by February 21, 2020. Nomination forms can be obtained from the following link:

[https://nationalfiretraining.nwcg.gov/nwcg_nomination_form](https://nationalfiretraining.nwcg.gov/nwcg_nomination_form)

This course is not intended to replace the need for mental health care professionals or their roles and responsibilities. Attendees who successfully complete this session will be encouraged to provide Critical Incident Stress Management, Peer Support through their corresponding Geographic Area CISM program when a need arises.

Any questions, please contact the course coordinator.
