

**Interagency Resource Representative (IARR)
Virtual Refresher
Wednesday June 29th, 2022**

To: Eastern Area IARRs (qualified and trainee status),

The Eastern Area Coordination center will be hosting a virtual IARR refresher on Wednesday June 29th, 2022. This refresher will be held in the Microsoft Teams virtual environment from 0900 - 1200 CT. To register for this course please click on the link below:

<https://forms.office.com/g/8fp0TFcfCx>

Registrants should monitor their email for a Teams invite as the refresher date approaches.

Interagency Resource Representative (IARR) work for the Eastern Area Coordination Center as our liaison to crews, overhead and equipment assigned to incidents. The IARR coordinates through Incident Management Teams (IMTs), Geographic Area Coordination Centers (GACCs), host Agency Administrators, Fire Management Organizations, Multi-Agency Coordinating Groups (MACs), Federal Emergency Management Agency (FEMA) and others to ensure the well-being of all assigned Eastern Area Resources.

It is your responsibility as IARRs to be well versed in accident reporting, incident business management, medical care procedures, time keeping and mobilization procedures. Join us for the refresher to receive updates on the topics above and more. Students should be prepared to share experiences and contribute to the topics presented.

We are looking forward to your participation and a busy mobilization season. If you have any questions, please reach out to Jennifer Parrish, refresher coordinator at 414-391-6090 or jennifer.parrish@usda.gov.

Sincerely,

Jennifer Parrish
Deputy Center Manager
Eastern Area Coordination Center
