

Eastern Area Dispatch Working Team

Date: January 27, 2022
To: All Interested Applicants
From: Eastern Area Dispatch Working Team
Subject: 2022 Eastern Area Interagency Dispatch Team Application Announcement

Application Period: February 1, 2022 – March 6, 2022

The Eastern Area Dispatch Working Team is pleased to announce that applications are currently being accepted for the 2022 Eastern Area (EA) Interagency Dispatch Team. All applicants must apply thru the link provided below:

The form will allow you to apply for the team electronically. In addition to your application, you must submit your current master record. Master records must be submitted to wieacc@usda.gov. Applications will not be considered complete without a master record. For each position you wish to apply for on the team, you will need to submit a new application thru the link. Only one master record is needed per applicant when applying for multiple positions.

The EA Interagency Dispatch Team was established to provide a highly skilled group of dispatch personnel to support wildland fire and all-hazard incident management efforts. The Team has been an excellent representation of the Eastern Area Dispatch community and our commitment to supporting incident management throughout the country.

Team members will serve for a one-year term after which time they will need to reapply if interested in serving on the 2023 Team. Applications will be accepted from all qualified and eligible applicants from the Eastern Area and Nationally. Eastern Area personnel will receive priority consideration for positions.

Interested qualified and trainee dispatchers are encouraged to apply for the following positions:

EDSP (Team Leader)
EDSP (Deputy Team leader)
EDSD
EDRC

If you have any questions regarding the 2022 EA Interagency Dispatch Team please contact Jennifer Parrish, Eastern Area Coordination Center, at 414-944-3811 or jennifer.parrish@usda.gov.

Thank you for your interest and we look forward to working with you.

Sincerely,

Glenn Palmgren
Chair, Eastern Area Dispatch Working Team
