From: Chair, Great Basin Coordinating Group (GBCG)

Subject: 2024 Great Basin Incident Management Team Workshop

IMT Workshop – April 1 – 4, 2024

The 2024 *Great Basin Incident Management Team Workshop* will be held April 1 - 4, 2024, at The Silver Legacy Resort Casino in Reno, NV. The meeting will cover four days, 0800 to 1700 each day. This four-day workshop will provide members of the IMTs an opportunity to be updated on agencies' policies, network with counterparts on other teams, and build cohesion within individual teams. Each year we have new Incident Commanders and new team members being selected; team building will be emphasized. Also, time has been set aside for IMT functional area breakouts to review, discuss, and formulate standard team protocols. A workshop agenda and hotel reservations are included.

The Silver Legacy Resort Casino is single occupancy. It is highly encouraged that all attendees stay at the resort to reduce meeting room costs. Reservations must be completed before March 19, 2024. Please use the following QR code for reservations:

If you have any questions regarding this workshop, please contact your Incident Commander or Brett Waters at brettwaters@utah.gov.
