GB Coordinating Center Update:

- GBCC at PL 4, NICC at PL 4
- 11 new fires in the GB for 490 acres
- Dispatch centers doing a good job of reassigning resources.

NMAC:

- **T2 Teams available outside of GACC if needed.**

Priority List:

- Henry's Creek
- Pioneer
- Berry
- Tie
- Peterson Hollow
- South Fork Zone
- Briggs
- Toponce Creek
- Rough-last day
- Porcupine

Priority list supported by GBCG.

GB MAC:

- ASAT –Covering Salmon today and will start a 2-3 day Twin Falls/Pocatello/Berry Fire/Tie Fire tomorrow. No issues reported.
- Rosenthal's T2 team staged in Challis today and will re-evaluate tomorrow. If released will take day off and be back up for assignment on Tuesday. If he is assigned, then will discuss possible bringing up Chadwick's team early.

- Sue brought up concerns with T1 crews on Pioneer given the fact they lost some crews and still have a threat to summer homes. GBMAC not supporting any crews to Pioneer at this time. Will re-evaluate the crews in a few days. Focus is on some of these other fires at this time even with Pioneer being higher on the priority with the rationale they will have greater short term success and then will be able to move those crews around in a few days.
