Predictive Services:

Weather update:
Gina McGuire

A dry cold front will push across ID/WY today producing gusting winds. Gusty winds also in central NV. Some recovery with humidity. Showers and wetting rains for southern UT. Moisture expected again for southern UT and at time NV. Thunderstorm activity is expected to be wet across southern half of UT and NV through this week and drier further north.

GBCC Update:
Ray Crowe

- GBCC at PL 4, NICC PL 4
- 23 new fires for 7 acres
- New growth on large fires – 22,476 acres

**MAC / GBCC
Coordinator
Dennis Terry**

Report from the ASAT. Visiting Elko, Battle Mountain, and Winnemucca yesterday. Operationally found no major issues. Today will visit Boise TB, Lucky Peak, Twin Falls TB. Tomorrow will plan on Pioneer

**1
Fire: Pioneer
IC: Lund, South Zone,
Chadwick, North Zone**

100,367 / 47% / 2155 / 62.1 M.
Clearly still struggling with the river corridor. Most of the growth on the north zone is to the north. Spot fire, 20 ac on the other side of the river (Clear Creek Drainage). Will hit that hard this morning. On the western side may go direct. Little PSD work in the river corridor towards the hwy. 20-30 BAER folks doing assessment currently and the fire is supporting them. Scheduled meetings Thur. and Fri. Lunds team will transition with Chadwick today and take over north zone tomorrow.
No injuries/Critical needs T1, T2 IA crews.

**2
Berry
IC: Steffens**

6,358 / 0%
Fire started 7/25 but due to winds yesterday, fire made a 5 mile run. Spotted across Hwy 89 towards Yellowstone National Park so closed the major corridor from Grand Teton to the south entrance of Yellowstone yesterday. Evacuated Lizard Creek Campground yesterday. Currently evacuating Flagg Ranch.
Resource needs: 2 T1 Helicopters/2 IHC crews.
Roide's T2 team ordered and enroute. Briefing at Grand Teton Park

|-------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | Headquarters today @1700. |
| 3 Fire: Henry's Creek IC: Berkebile | 18,000 / 15% / 125 / 150,000.00 The latest is that the fire is 18000 acres plus. Winds were not favorable yesterday as the fire made a 9 mile run. West side looking good and dozer line on the north end looking good. The east flank is the problem area. Heavier fuels, steeper terrain. A lot of public interest, majority of fire on private lands. ROS, power lines and steep terrain are concerns. 1 minor eye injury yesterday. Critical needs are a Type 1 crew or a Type 2IA crew and aviation for the high country. DeMastes team ordered and in brief at 1800 in Idaho Falls |
| 4 Fire: Peterson Hollow IC: Darren Turner John Platt (t) | 400/ 0% / 140 / \$750,000 Winds created large fire growth. 90% active perimeter. ICP at Beaver Mtn. Ski Area. Concerns include smoke, fire behavior and snags. Critical needs include 2 T1 and 2 T2IA crews |
| 5 Fire: Sand Ledges IC: S. Nielson | 3,022 / 27% / 4110 / \$900,000.00 Dozer line complete 98% of fire. Concerns are Sage Grouse and power lines. Hwy reopened and no resource needs. Working on setting up the investigation for the dozer turnover. |
| 6. Fires: South Fork Zone Big Elk, Carrot, Black Fires IC: Flowers | 3 Fires are being managed together however not a complex. Big Elk 68 acres, not staffed, no concerns Carrot 54 acres NE of Driggs, ID in the wilderness, unstaffed Black Fire 650 acres north of Swan Valley, ID is the fire of concern. Ordered 2 T2 IA crews/2 T6 engines and misc. overhead. |
| 7 Fire: Briggs IC: Clay Matheson | 1872 / 30% / 136/ \$741,300.00 <ul style="list-style-type: none"> • Continued line construction • Need to retain all resources • Safety Issues: None • Injuries: 1 minor but good today • Critical Resource Needs: None |
| 8 Fire: Toponce Creek IC: Johnson | 265 / 90% / 142 / \$1,248,956.00 <ul style="list-style-type: none"> • Moving to T4 if held with wind maybe Wed-Thurs • Resources available for release/reassignment: None • Safety Issues: None • Injuries: None • Critical Resource Needs: None |
| 9 Fire: Rock Hill IC: Eric Nolan | 1694 / 80% / 204 / \$215,000.00 Slop over for additional 2-3 ac from 209 information last night. Steep, rocky terrain and slop over pushing back containment to 80%, however expect to make good progress today. T2 crew available for re-assignment. |
| 10 Fire: Rough IC: Rory Anderson | 4,100 / 20% / 120 / \$2,100,000.00 <ul style="list-style-type: none"> • Fire continues to move north towards old burn scars • Resources available for release/reassignment: 1 T2 IA crew available tomorrow • Safety Issues: None |

| | |
|-------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | <ul style="list-style-type: none"> • Injuries: None • Critical Resource Needs: None |
| 11 Fire: Porcupine IC: Brandon Hoffman | 1900 / 100% / 74 / \$465,000.00 <ul style="list-style-type: none"> • Fire made it onto the Fishlake NF • Area closure on Manti-Lasal/Fishlake • Received light rain yesterday • TFR in place • Resources available for release/reassignment: None • Safety Issues: None • Injuries: None • Critical Resource Needs: None |
| 12 Fire: Stein IC: Mark Rosenthal | 104 / 100% / 311 / \$2,047,000 <ul style="list-style-type: none"> • Continue to rehab today • Injuries: 1 poison ivy • 1 T3 Helicopter left • T2 Team closeout Thursday, 8/25, 1000 at SO |
