Contractor,

We are sending out a friendly reminder that when doing business with the State of Nevada you are required to obtain a state business license.

The following is an excerpt from the Nevada Revised Statutes defining the law.

NRS 76.100 State business license required; application and fee for license; activities constituting conduct of business. [Effective through June 30, 2015.]

1. A person shall not conduct a business in this State unless and until the person obtains a state business license issued by the Secretary of State. If the person is:

(a) An entity required to file an initial or annual list with the Secretary of State pursuant to this title, the person must obtain the state business license at the time of filing the initial or annual list.

(b) Not an entity required to file an initial or annual list with the Secretary of State pursuant to this title, the person must obtain the state business license before conducting a business in this State.

Exemptions may be available.

The application process can be expedited by following this link to the Secretary of State's website: <http://nvsos.gov/>

If you have any questions or concerns please contact Mary Wilde, Incident Business Specialist, at 775-684-2516 or email mwilde@forestry.nv.gov

Sincerely,

A handwritten signature in blue ink, appearing to read "Dave Prather".
