DESCRIPTION:

S-260

This course meets the general training needs of all positions for which an understanding of Interagency incident business management is required. The *NWCG Standards for Interagency Incident Business Management*, [PMS 902](#), is used as the primary job aid to supplement this course. It provides basic policy and direction for incident business management.

S-261

This is an instructor-led course designed for entry-level finance positions. The format is a mix of exercises, facilitated group discussions, and lecture supported by PowerPoint presentations. Students work directly from the *NWCG Standards for Interagency Incident Business Management*, [PMS 902](#) for most of the exercises.

S-261, Applied Interagency Incident Business Management, is designed to be taken after completion of S-260, Interagency Incident Business Management.

TARGET GROUP: All ICS positions and personnel seeking knowledge of incident business management. S-261 is for personal desiring to be qualified as one or more of the financial positions: Equipment time Recorder (EQTR), Compensation for Injury Specialist (INJR), Claims Specialist (CLMS), or Personnel Time Recorder (PTRC).
