and Field Skills Day with BTE- Beyond the Edge Training
for employees who have EMR / EMT certifications**

Two – 2 Day session hosted by the Boise National Forest

**April 17 – 18, 2024 @ 0830 hours
and
May 15 – 16, 2024 @ 0830 hours**

Field skills day- all outside at
Lucky Peak Nursery- start time 0830- 1630- Bring Lunch with you

Please RSVP with Todd DeMasters at todd.demasters@usda.gov

NOTE: Class size will be limited to 30 students

TARGET GROUP: EMR and EMT personnel with current or expired EMS licenses, either State of Idaho or NREMT “OR” with USFS and/or NPS white cards, who need or want additional hand on skills and CE hours under the National Forest Service EMS program or under the Boise NF Idaho EMS license.

TOPIC: The EMS skills training will consist of receiving classroom and hands-on skills training from BTE EMS trainers. This 2-day session will review/discuss EMS expectations under the overall FS EMS program ‘umbrella’, as well as practicing Emergency Medical Skills, it will cover first aid/CPR certification as well as other EMS practical skills.

Also, a great opportunity to ask questions. Other material that we will be reviewing is the National EMS Program and NPS FM 51 Protocols, the Medical Supervision Plan, and a few other documents.

SCHEDULE: Session will begin at **0830 hours** on both days.

Tuition: Tuition is \$250 per student and Payable to BTE via Credit card from each participant’s home unit.
