

# TRAINING ALERT

## Crew Resource Management 7 Skills (N9059)

**April 22, 2025**

*Hosted at the Boise Interagency Dispatch Center, Training/Expanded Room  
Training will be held in-person*

**[Please RSVP here](#)**

**DESCRIPTION:** This 3-hour course explains the importance/history of Crew Resource Management (CRM) and introduces the 7 Skills of CRM which include:

- Decision Making
- Assertiveness
- Mission analysis
- Communication
- Leadership
- Adaptability/Flexibility
- Situational Awareness

The N9059 course also promotes the understanding of these concepts through practical skills application demonstrated in facilitated scenarios throughout the course.

***PLEASE NOTE:*** If you only need the 1.5-hour RT9059 CRM 7 Skills *Refresher Training*, you will have to find a session within IAT or sit through this full 3-hour course. *As a reminder RT9059 is required every 3 years after attaining the initial completion.*
