

# TRAINING ALERT

## FI-110 Wildland Fire Observations and Origin Scene Protection for First Responders

**May 12, 2022**

Hosted by the Boise National Forest  
Training located at the Garden Valley Work Center  
1219 Banks Lowman Road, Garden Valley ID

*Nomination Deadline*  
**Friday, May 6, 2022**

- DESCRIPTION:** The primary emphasis of this course is to teach sound wildland fire observations and origin scene protection practices that enable first responders to a wildland fire scene to perform proper origin scene protection procedures. The course is presented by short lectures, electronic presentations, exercises, and class discussion.
- TARGET GROUP:** Recommended training for all first responders, including single resource boss, law enforcement officers, prevention technicians, and field resource personnel.
- Limiting the number to 30 students.
- PREREQUISITES:** Recommended training:
- [IS-100 Introduction to the Incident Command System](#)
  - [S-110 Basic Wildland Fire Orientation](#)
- OBJECTIVES:**
- Understand the roles and responsibilities of a first responder in support of the investigation of a wildland fire
  - List the key observations that should be made when responding to a wildland fire.
  - List the five tasks to be performed upon arrival to a wildland fire.
  - Understand basic fire behavior and fire pattern indicators that identify signs of a general origin area.
  - Understand the various causes of wildland fires.
  - Understand the requirements of the post-response phase, including the information transfer process.
- SCHEDULE:** The course will begin at 0930 hours on Thursday, May 12.
- COST:** No tuition. Students and instructors are responsible for travel and per diem.
- LEAD INSTRUCTOR:** For additional questions, Kim Drake, [kimberly.drake@usda.gov](mailto:kimberly.drake@usda.gov) and/or (208) 634-9601
- NOMINATIONS:** [Sign-up up here.](#)
- A selection memo will be sent to students with additional details.
