

Boise National Forest

TRAINING ALERT

Work Capacity Test (WCT) Administrator

April 8, 2024

Hosted by the Boise NF, Supervisor's Office VIRTUALLY

Requesting Nominated Names by April 3

- DESCRIPTION: This Forest Service training and/or re-certification is the official method of assessing wildland firefighter fitness levels. Each Work Capacity Test (WCT) must be conducted by a Certified WCT Administrator.
- TARGET GROUP: To certify and/or re-certify WCT Administrators. Reference the current Boise National Forest tracking list at: https://gacc.nifc.gov/gbcc/dispatch/id-bdc/training/WCT_ADMINISTRATORS_Training_records.pdf
- PREREQUISITES: Required to study identified work capacity test material. Administrators will be re-certified every 3 years or when significant changes are made in the WCT or procedure related to the tests.
- CONTENT: Within a virtual classroom interaction, the course content must include but is not limited to the following topics:
- Job Hazard Analysis
 - Work Capacity Administration Report
 - Work Capacity Test: Informed Consent form
 - Work Capacity Test Record
- SCHEDULE: Monday **April 8, 2024 from 1500 - 1630 hours** via MS Teams meeting.
- COORDINATOR: Julia Figgins, julia.figgins@usda.gov or at 208-373-4180.
- NOMINATIONS: Email RSVP is adequate; please forward names to Julia Figgins to confirm a MS Teams invite for the April 8 session, thank you.
