Mountain Home							
Idaho National Guard							

Helipad/Helispot Lat/Long

- Dispatch Offices will call schedulers to determine activity along the affected routes/airspace before any agency planned flight commences for those airspace structures. Inform of tanker/ seat/ helicopter operations routes to fire.
- Dispatch Offices will telephonically verify with affected airspace scheduling office receipt of FAX, or E-Mailed information (e-mail read receipt acceptable for Mountain Home) and call upon **termination** or any **change** in agency flight/TFR/Airspace Alert Notification status.
- Column 1 – Select the affected airspace by name (See list). If known use the affected MTR route segment.
- Column 5 – Fill in the Latitude/ Longitude of the incident center point.
- Mountain Home/IDANG Airspace listed below (Both are scheduled by MHAFB Wing Scheduling).

Mountain Home Air Force
