MOTOR VEHICLE USE MAP (M/UM)

The M/UM is a legal enforceable document that identifies the roads, trails, and areas where motor vehicle use is allowed in a Forest Service administrative unit or ranger district. M/UMs are issued each year. It is the responsibility of Forest Users to acquire the current M/UM. M/UMs are available FREE at Forest Service offices and at:

https://www.fs.usda.gov/eop/programs/ehc/ehc_maps.shtml

This is not a legal document. Public lands are subject to change and loading, and may have access restrictions. Not all roads and trails on this map are open to motor vehicle use. Check with appropriate officials and obtain appropriate regulatory permits and information. Obtain permission before entering private lands.

The USDA Forest Service uses the most current and complete data available. GIS data are not guaranteed. Users are using GIS products for purposes other than those for which they were intended may yield inaccurate or misleading results.
