

# ARIZONA STRIP DISTRICT

The **Bureau of Land Management (BLM) Arizona Strip District Office** is seeking individuals who may be interested in working as wildland firefighters. Wildland firefighters assist with prescribed burns and respond to local and national wildland fires. If you enjoy long hours hiking and strenuous physical labor for several days in the backcountry, the BLM is looking for you. Prior wildland fire experience is not required for all positions and training may be provided.

The **Arizona Strip** is located in Northwest Arizona and is home to some of the most unique landscapes in the West. The duty station is located in St. George, UT, but you can be asked to respond to wildland fire throughout the U.S. for up to two weeks at a time.

Seasonal jobs in firefighting may include working as a crew member on any of the following types of crews: Engines; Prescribed Fire; Fuels; Prevention; or Wildland Fire Modules. It is essential that a firefighter be in top physical condition for this demanding work so employees must pass the Work Capacity Test upon initial employment.

The position requires the following; the ability to follow direction, flexibility in dealing with a variety of working conditions in the outdoors, great communication skills, ability to work well within a team environment. If you feel that this describes you and are interested in learning more about the program, please contact the Assistant Fire Management Officer or Fire Operation Specialist for more information. (contact information listed below).

Ty Mizer / Assistant Fire Management Officer / AZ Strip BLM
