2019 Fire Season

Color Country Interagency Fire Center

Color Country Interagency Fire Center (CCIFC) response area is approximately 16.2 million acres of Federal, State, and Private Lands. CCIFC dispatches for the following agencies: Color Country District Office BLM (CCD) Grand Staircase Escalante National Monument BLM (GSENM), Arizona Strip District Office BLM (ASD), Dixie National Forest (DIF), Zion National Park (ZIP), Glen Canyon National Recreation Area (GLP), Bryce Canyon National Park (BRP), Cedar Breaks National Monument (CBP), Grand Canyon-Parashant (PAP), Vermillion Cliffs National Monuments BLM (ASD), Pipe Spring National Monument (PIP), Southern Paiute Field Office BIA (SPA), Fish and Wildlife Services (FWS), Utah Division of Forestry, Fire, and State Lands (SWS) which includes the five southwest counties of Utah and multiple municipalities, and State of Arizona (A2S2).

The 2019 Energy Release Components (ERC) remained between the 80th - 90th percentiles during the majority of the fire season. Due to 2019 being an El Nino year, the four corners high did not get established. This led to Southern Utah not receiving a normal monsoonal pattern this summer. Due to the below normal precipitation and above normal temperatures in the fall the Southwest State FF&SL extended their closed fire season through November 30th.

There were 270 fires for 29,304 acres this season. Human caused fires accounted for 58% of all fires and only 8% of the total acres burned. The Southwest State of Utah accounted for 50% of the human caused fires and only 12% of the acres burned. The Color Country BLM accounted for 15% of the human caused fires but 75% of the acres burned. Color Country resources responded to 420 smoke reports this season; 270 wildfires, 201 incorporated assists, and 129 false alarms. Color Country hosted one Type 3 Incident Management Team and one Type 2 IMT. Brian Frisby's Type 3 Incident Management Team was assigned to the Frehner Canyon fire on the Arizona Strip District. Jeff Knudson's T2 IMT was assigned to the Neck on the Cedar City Field Office.

Color Country Interagency Fire Management Area was the host of 5 exclusive use aircraft for 2019: one - T1 (HT-715) helicopter at CDC, one -T3 (H-7BS) Helicopter at SGU, one -Air Attack (AA-0FD) at CDC, and 2 SEATs at CDC (T-806 & T-892). Color Country Air Center / Cedar City Tanker Base pumped 722,408 gallons of retardant.

CCIFC processed approximately 5,930 ROSS orders for aircraft, overhead, crews, equipment, and supplies. CCIFC was unable to fill (UTF) 216 local and non-local incident orders. These orders do not include local resources sent during initial attack, which are not captured within ROSS. CCIFC supported incidents outside of the CCIFC area by sending 203 - Overhead, 117 - Aircraft, 9 - Crews, 1 - Camp Crews, and 85 - Engines off-unit. We appreciate all those who took assignments and helped with the fire effort.

If obtained from the Ranger having intimate knowledge on use of his personnel, these items may be estimated. Complete accuracy is not required. 3.
