Pine Hollow

Wildflower

2020 Fire Season

Color Country Interagency Fire Center

Color Country Interagency Fire Center (CCIFC) response area is approximately 13.2 million acres of Federal, State, and Private Lands. CCIFC dispatches for the following agencies: Color Country District Office BLM (CCD) Grand Staircase Escalante National Monument BLM (GSENM), Arizona Strip District Office BLM (ASD), Dixie National Forest (DIF), Zion National Park (ZIP), Glen Canyon National Recreation Area (GLP), Bryce Canyon National Park (BRP), Cedar Breaks National Monument (CBP), Grand Canyon-Parashant (PAP), Vermillion Cliffs National Monuments BLM (ASD), Pipe Spring National Monument (PIP), Southern Paiute Field Office BIA (SPA), Fish and Wildlife Services (FWS), Utah Division of Forestry, Fire, and State Lands (SWS) which includes the five southwest counties of Utah and multiple municipalities, and State of Arizona (A2S2).

The 2020 Energy Release Components (ERC) remained in the ninetieth percentiles during the majority of the fire season, setting several record highs. Most agencies remained in severity conditions into November. Fire season started in early May and continued through the beginning of November. Southern Utah did not receive the monsoons as normal, causing extended drought conditions. Due to the below normal precipitation and above normal temperatures in the fall, the Southwest State FF&SL extended their closed fire season through November 30th. The Coronavirus (COVID 19) add another level of complexity to the 2020 fire season.

There were 397 fires for 88,398 acres this season. Human caused fires accounted for 64% of all fires and 35% of the total acres burned. The Southwest State of Utah accounted for 49% of the human caused fires and only 26% of the acres burned. Color Country BLM accounted for 22% of the human caused fires with 65% of the acres burned. Color Country resources responded to 678 smoke reports this season: 397 wildfires, 67 incorporated assists, and 214 false alarms. Color Country hosted four Type 3 Incident Management Team (IMT) and one Type 2 Incident Management Team. Joe Harris's Type 3 IMT was assigned to the Veyo West, then reassigned to Turkey Farm, and then reassigned to the Cottonwood Trail fires. Dameon Julander's T3 IMT was assigned to the Cougar fire. Brooke Chadwick's T2 IMT was assigned to the Pine Hollow fire on the Arizona Strip Field Office.

Color Country Interagency Fire Management Area was the host of 5 exclusive use and 1 surge aircraft for 2020:

- T1 Helicopter - CDC – HT-95B - DIF
- T2 Helicopter - CDC – H-468 (Surge Aircraft) - DIF
- T3 Helicopter - SGU – H-7BS - ASD
- Air Attack - CDC – AA-0FD - CCD
- 2 SEATs - CDC - T-806 & T-892

Color Country Air Center/Cedar City Tanker Base pumped a total of 2,092,690 gallons of retardant this fire season.

- St. George Temporary Tanker Base - 1,330,228 gallons
- Cedar City Tanker Base - 762,462 gallons

2020 was the first year for the Incident Resource Ordering Capability (IROC) program. This posed quite a few challenges. Dispatchers did a great job of learning the program with mostly on-the-job training. CCIFC processed approximately, 633 aircraft, 147 crew, 589 equipment, 961 overhead, and 3,036 supplies orders in IROC.

CCIFMA had several fires that started in our neighboring dispatch areas and burned into Color Country. The Rock Path fire started on Fillmore Field Office (Richfield IFC) and burn onto Cedar City Field Office and Utah state lands. The Mangum fire started on the Kaibab N.F (Williams IFC) and burned onto the Arizona Strip District BLM. The Big Summit fire started on Ely District BLM (Ely ICC) and burned onto Cedar City Field Office and Utah state and private lands. The Virgin Mountain fire started on the Southern Nevada District BLM (Las Vegas ICC) and burned onto the Arizona Strip District BLM.

The Basin fire was a natural caused fire that started on May 10th on the Arizona Strip Field Office. The fire transitioned to a type 3 Incident Commander on May 11th. Ty Mizer was the ICT3 and Brandon Davis was the trainee. The fire transitioned down to a ICT4 Micah Fey on May 15th. Final acreage 38,628.

The Veyo West was a human caused fire that started July 13th on the St. George Field Office of the Color Country District BLM. The fire was in approximately one-mile SSW of Veyo, UT. Adam Heyder was the Type 4 Incident Commander and transitioned to Joe Harris's Type 3 Incident Management Team on July 14th. Lyndsay Fonger was the ICT3 trainee. The fire transitioned back to a Type 4 incident command on July 18th. The Veyo West fire was multi-jurisdictional, burning state, private, BLM, and USFS lands. The fire's final size was 2,885 acres.

The Turkey Farm Road was a human caused fire that started July 13th state land (Southwest Area State). The fire was approximately 2 miles North of St. George, UT. Shawn Jaca was the Type 3 Incident Commander and transition to Joe Harris's Type 3 Incident Management Team on July 16th. Lyndsay Fonger was the ICT3 trainee. The fire transitioned back to a Type 4 incident command on July 19th. The Turkey Farm fire was multi-jurisdictional, burning state, private, BLM, and USFS lands. Fires final size was 11,993 acres.

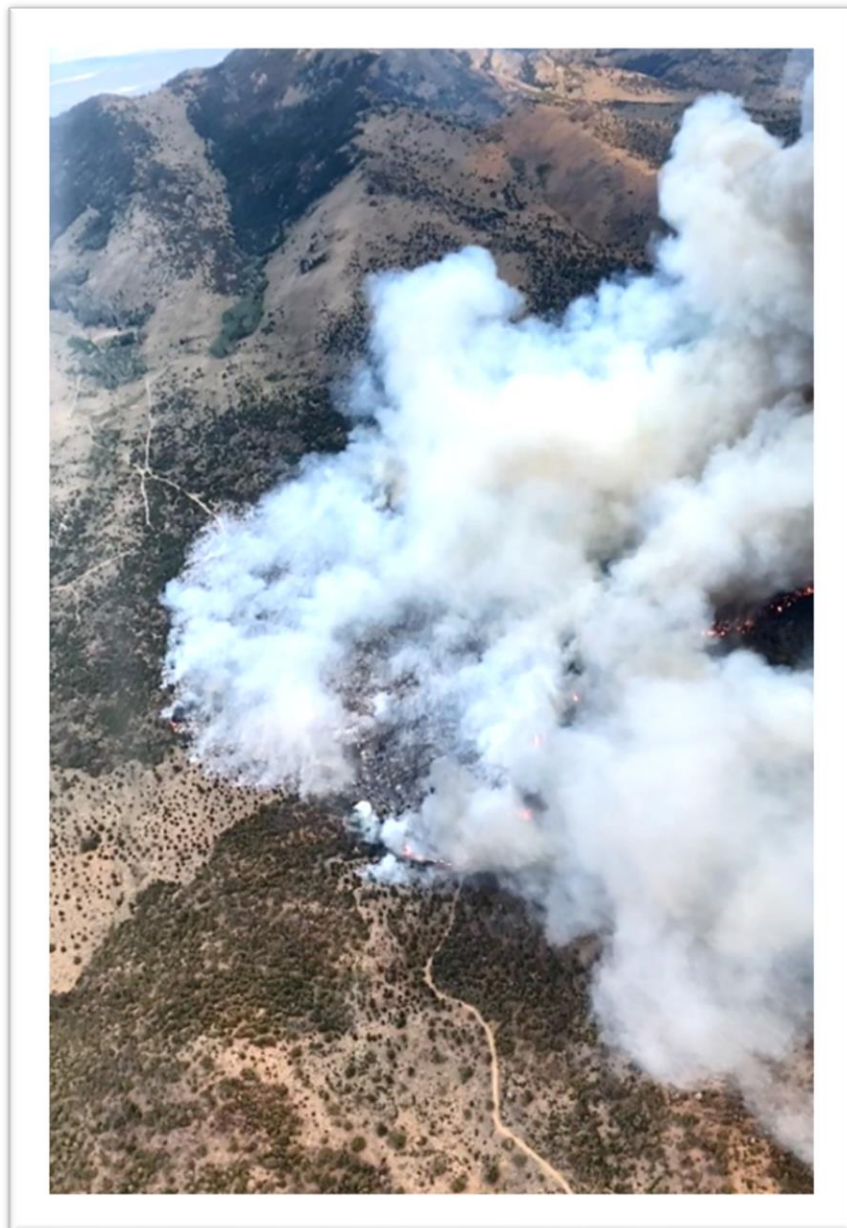

The Cottonwood Trail fire was a human caused fire that started July 19th on state land (Southwest Area State). The fire was approximately twelve miles NNE of St. George, UT off Interstate 15. Adam Heyder was the Type 4 Incident Commander and transition to Joe Harris's Type 3 Incident Management Team on July 20th. Lyndsay Fonger was the ICT3 trainee. The fire transitioned back to a Type 4 incident command on July 21st. The Cottonwood Trail fire was multi-jurisdictional, burning state, private, and BLM lands. Fires final size was 3,303 acres.

The Pine Hollow fire was a natural caused fire that started on July 29th on Arizona Strip Field Office BLM. The fire transitioned to Brooke Chadwick's T2 Incident Management Team Commander on August 1st. The fire was transitioned back to the local unit on August 7th to Ty Mizer as the ICT3. The Pine Hollow fire was multi-jurisdictional, burning AZ BLM, UT BLM, and AZ state lands. The fires final acreage was 11,405.

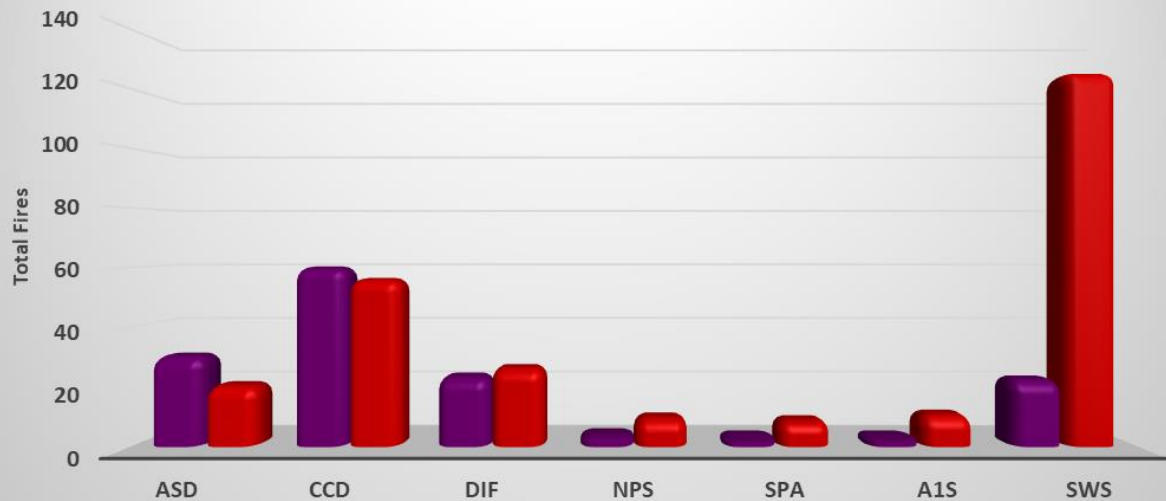

The Cougar fire was a human caused fire that started August 16th on the Cedar City Field Office of the Color Country District BLM. The fire was in Hamlin Valley area, approximately fifty miles NNW of Cedar City, UT. Dameon Julander was the Type 4 Incident Commander and transition to his Type 3 Incident Management Team in the afternoon. Izaak McHenry was the ICT3 trainee. The fire transitioned back to a Type 4 incident command on August 20th. Fires final size was 476 acres.

Color Country Air Center

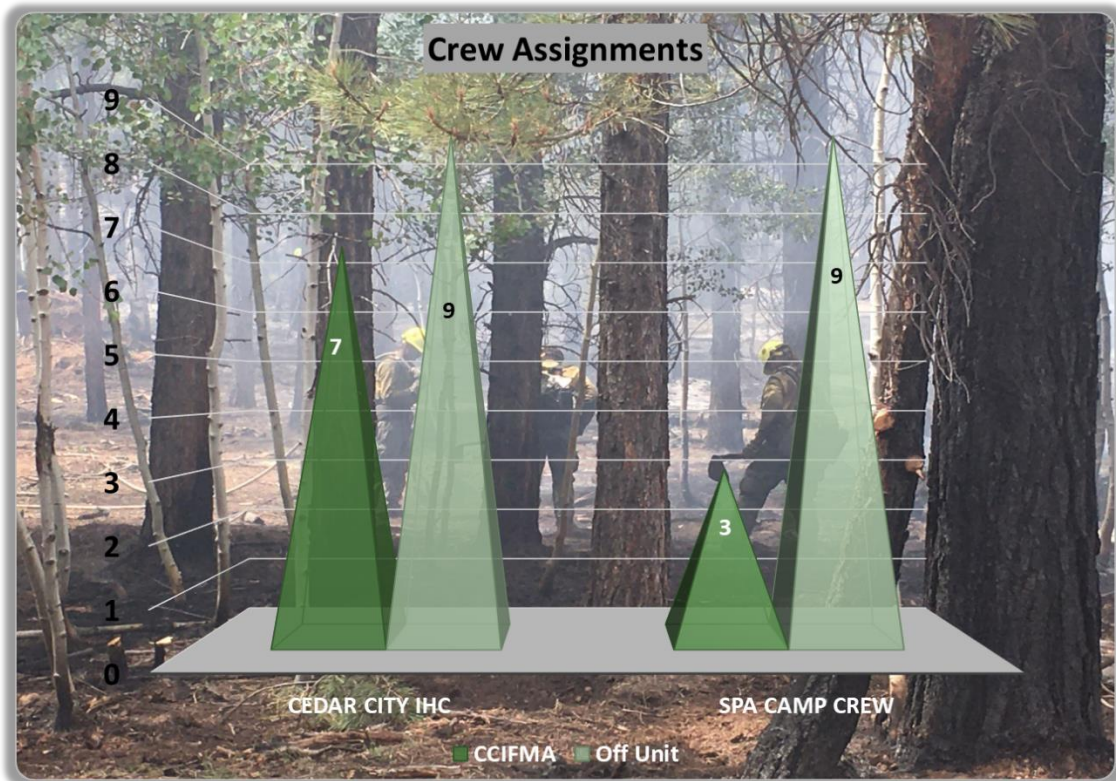

Cedar City Airport closed March 16th through July 19th. Color Country opened a temporary tanker base out of St. George, UT. 1,330,228 gallons of retardant was loaded out of the temporary base. Cedar City Tanker Base reopened on July 20th and loaded 722,408 gallons of retardant for a season total of 2,092,690 gallons. They loaded 202,004 gallons of water. The 10-year average for retardant pumped out of Cedar City Tanker Base is 609,094 gallons. Color Country aviation supported 93 fires and loaded 972 aircraft.

Crews

Color Country Interagency Fire Center filled 9 fire crews and 9 camp crew orders for non-local incidents with local resources. Cedar City IHC had 28 fire assignments this season. These orders do not include local resources sent during Initial Attack, which are not captured in IROC. The chart below does not capture reassignments while off unit.

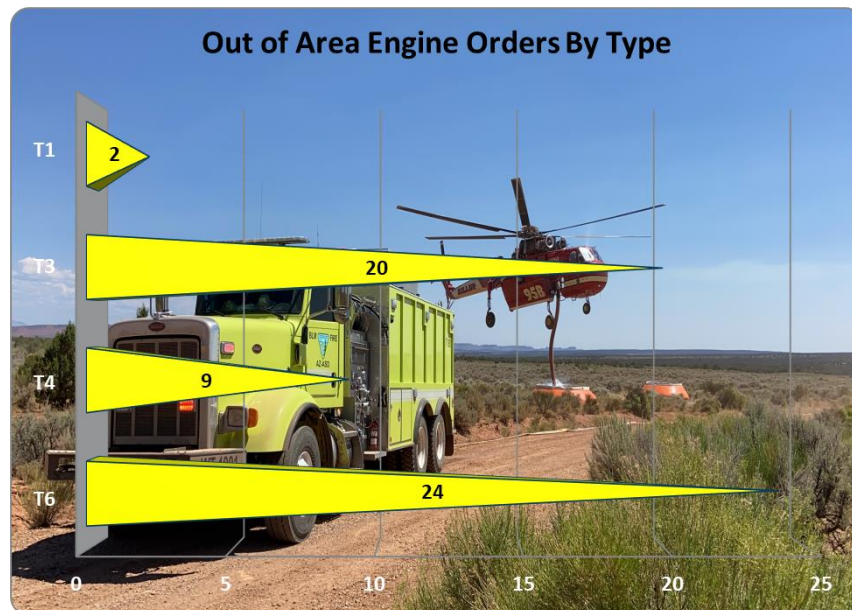

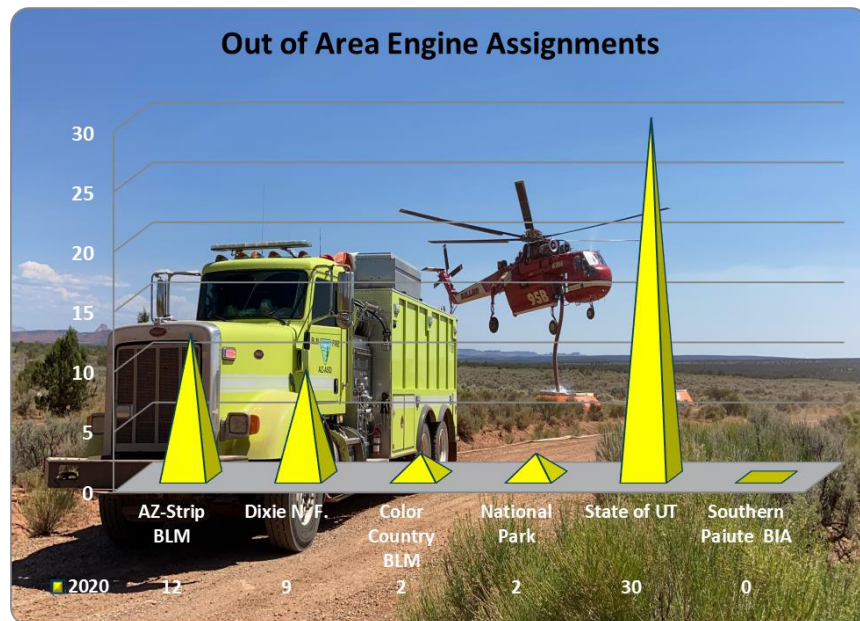

Overhead

Color Country Interagency Fire Center filled 444 overhead resources on non-local incident in 2020 (reassignments while off unit are not included). These orders do not include local resources sent during Initial Attack, which are not captured in IROC.

Due to IROC limits in 2020, CCIFC is unable to run an overhead assignment report. This function is not available until sometime in 2021.

Equipment

Color Country Interagency Fire Center filled 65 Equipment orders (7 – Water Tenders, 3 – Dozer, and 55 Engines) non-local incident orders with local agency/cooperator equipment in IROC. These orders do not include the multiple engine personnel swaps that occurred. These orders do not include local resources sent during Initial Attack.

PERSONNEL EMPLOYED ON WILDFIRE PRESUPPRESSION AND SUPPRESSION ACTIVITIES		CALENDAR YEAR 2020	
INSTRUCTIONS: 1. Data for items 1a, 1b, and 2b should be taken from planning and budget records in the Supervisor's Office. 2. Items 1c, 1d, 2b, and 2c may be obtained from actual records in the S.O. or from the Ranger District. If obtained from the Ranger having intimate knowledge on use of his personnel, these items may be estimated. Complete accuracy is not required. 3. Item 3 may be estimated where large numbers of casuals are employed. Since each reemployment counts as a new employment, sufficient accuracy can be obtained by sample counts and measurement of time slips.			
ITEM NO.	ITEM	NUMBER	
		SUB-TOTAL	TOTAL
1.	Regular appointed personnel		
a.	Full-time fire management (<i>20 pay periods or more</i>)	36	
b.	Part-time fire management	24
