S-290, Intermediate Wildland Fire Behavior (Blended), 2025

The Wildland Fire Learning Portal training Courses

If you do not have an account, you will have to create one.

The link and QR code below will take you to the Learning Portal Log-In Page.

<https://www.wildlandfirelearningportal.net/login/index.php>

When you have access to the Learning Portal locate the NWCG Course Catalog

Find the **S-290, Intermediate Wildland Fire Behavior (Blended), 2025 on the list of available courses.**

Once you have the S-290 page go to the bottom of that page and open the online component.

Students are required to complete the Online Training OLT prior to participating in the ILT component. The OLT will take approximately 22 hours to complete. Your progress will be saved as you move along.

Once you have completed all the required activities in the online training, your memo of completion will be automatically sent to the email associated with your WFLP user profile. The Memo is proof of your successful completion of the online component and must be provided to the instructor prior to the instructor-led component of the course.

The instructor led portion is 16 hours of classroom learning.

For an approximate time of 38 hours.

Space is limited to 24 students, Priority will be given to students working toward Single Resource Positions.
