bradc@rubysinn.com

• The cost will be \$300.00 per student

****This includes meals Monday Breakfast – Friday lunch, camping/use of facilities and student materials.****

Student Cancellation or withdrawals after the start of class will be billed for the full week.

Cancellations must be submitted to the Fire School Coordinator by the individual that enrolled the student, by email prior to the first day of class.

****Fire School has assigned camping areas to camp in, stay within the designated camping area Group Camping Area # 1 , # 2 and # 8 ****

- Camping is required for the week at the Ruby's Inn RV Park and Campground, located ¼ mile south of the main Ruby's Inn Lodge 300 So. Main Hwy. 63 Street Bryce Canyon, Utah 84764
- Students that arrive Sunday night are responsible for their own meals on Sunday night, May 14 th. all meals will be provided after that.
- Students arriving Monday the first provided meal will be lunch on Monday and all meals after that
- Detailed instruction on how to get to the Ruby's Inn can be found at the following web link <http://www.Ruby'sinn.com>
- Agreement between home unit and student should be made prior to attendance for any extra hours outside of normal work day, extra hours may occur.
- Due to space constraints please encourage carpooling to minimize parking issues.
- Students will need to arrive daily to class wearing boots, T-shirt, and Nomex pants; they should also have their Nomex shirts available. Students should also be prepared daily to go out in the field.
- There will be zero tolerance for drug and alcohol use while attending fire school, on or off the clock.
- Camp will be run as a "Closed Camp" so students will not be allowed to leave after hours unless prior approval has been given.
- Identify any students with special dietary needs on their Student Profile sheet when they register.
- Instructors will be responsible for paying for their own meals. Camping fees will be waived.

Prerequisite ICS-700, ICS-100 and L-180 are not taught in the new course, these will need to be completed at the home unit.

- **Students must bring a letter from supervisor when they check in, or first day of class, stating they have completed a physical fitness exam at the appropriate Red Card qualification level.**

This will allow participation in any live fire training.

**** New for 2023****

- In the event that agency mandated paperwork has held-up the physical fitness test, a separate training will be held adjacent to the live fire scenario, these students will do all of the skills that are being completed in the live fire portion, This will meet the requirements of a field exercise, and the students will be sent home with a certificate of completion.
**The home unit can do additional training with the student at the home unit once they have completed the physical fitness testing. **

Items to bring

We have developed a list of items that is required for all students who are attending Fire School.

****Fire School has assigned camping areas to camp in, stay within the designated camping Area****

- Fire School will be run similar to a Fire Camp so students will need camping gear (tents, sleeping bags). Supervisors should also discuss other things that could be useful in camp.
- Elevation is around 7600' so bring appropriate camping gear for mid-May (Jacket, Tent, Rainfly, Warm Sleeping bag Be Prepared for Cold, Wet Weather Conditions (There is the possibility of rain or snow)
- Students must have the following PPE, (Nomex shirt and pants, lace-up leather (minimum of 8" tall) lug sole boots, hardhat, eye and ear protection, leather gloves, and line gear with 4 full water bottles and fire shelter. *(boots should be broken in prior to the first day of fire school)*
- **Students must bring at least one hand tool and file, if districts are sending more than one student please send a variety of tools (one tool per person)**
- Students should arrive with pens, pencils, and a notebook.
- There are showers at different locations in the campground.
- It is recommended that students take the on-line S-110, Basic Wildland Fire Orientation
<http://training.nwcg.gov/courses/s110.html>

Supervisors and students please note that we expect students to act like professionals. Disruption of any kind during paid and non-paid hours will not be tolerated. Those individuals who do so will be dismissed from class and sent back to their home unit at their own inconvenience with documentation regarding non completion of the 2023 Fire School.

Information will be emailed to students prior to class, with instructions to the campground wi-fi, shower/restroom door codes. Course reference documents will also be emailed, hard copies will be provided at class.

The email will be from colorcountryfireschool2023@gmail.com
