

OUTREACH NOTICE OUTREACH NOTICE

**USDA FOREST SERVICE
INTERMOUNTAIN REGION, R4
Bridger-Teton National Forest
Teton Interagency Fire**

Application period – November 1 through 15, 2017

The Bridger-Teton National Forest is looking for a committed, hardworking, highly skilled workforce to work in wildland fire suppression and in fuels management within the Teton Interagency Fire program. The fire and aviation management program is very rewarding and requires talented people working

safely as part of a team in a variety of specialized positions including; dispatch, apprentice, engine crews, fuels management, fire module, helitack, and prevention.

It is important that applicants understand, although a current position may not be vacant, it could become vacant and filled during the selection period. This is called the backfill process of fire hire. Interested individuals should apply to **all** positions and locations where they would be **willing** to accept a job offer, whether the position(s) are currently vacant or not.

For full consideration, please respond to the outreach. Your response is important. Please address your outreach response to the contact listed for each location. Additional information about the position is available from the direct supervisor. You may use the attached outreach response form.

All applicants must attach a current copy of their IQCS Master Record or equivalent to their USAJOBS application showing that they meet the Interagency Fire Program Management (IFPM) qualification requirements. Recommended documentation type is .PDF or .DOC. Please contact your servicing Dispatch Center or Training Officer to obtain a copy of this record and ensure that you have it attached to your USAJOBS application prior to submission. For more information on IFPM and FSPM qualifications refer to the IFPM web page at <http://www.fs.fed.us/fire/management/ifpm/index.html>

This outreach is for all GS-0462-03 thru GS-0462-09 current permanent fire and fuels positions covered by the new regional announcements. The vacancy announcements for these positions are posted on the U.S. Government's official website for employment opportunities at www.usajobs.gov. Those who wish to be considered for these positions in the 2018 Spring R4 Fire Hire event must apply to the new regional announcements by the cutoff date of midnight **November 15, 2017**. During the selection week, candidates will be given **4 hours** to respond to voicemails or emails from the recommending officials. If they do not hear back, they will move on to the next candidate and the candidates name will be withdrawn from the R4 Fire Hire.

On the R4 Fire Hire web page <http://www.fs.usda.gov/detail/r4/fire-aviation?cid=stelprdb5375168> there is a list of vacant positions and positions that have the potential to become vacant during the selection week. If you do not have a permanent job with the government or you are a summer temporary you need to apply through the DEMO process. Pick the Regional vacancy announcement number you want to apply to and put a DP at the end of the number. Example 18-FIRESRING-AFEO-6DP. If you are a permanent government employee, you need to apply to the Merit Promotion. You will put a G after the Regional vacancy announcement number. Example-18-FIRESRING-AFEO-6G. For instructions on how to search for jobs and fill out your applications, go to the R4 Fire Hire Web page shown above.

Because of the nature of the R4 Fire Hire process with employees in current positions applying to and being awarded new appointments – positions that are currently filled may become open. Applicants are invited to apply to any permanent position for which they are qualified that may become open through the Fire Hire process.

All of the positions on the Bridger-Teton National Forest that could potentially be filled at 2018 R4 Fire Hire are listed at the end of this outreach with contact information.

About The Bridger-Teton National Forest:

At 3,400,000 acres, the B-T is the second largest National Forest in the United States outside Alaska. It lies in Western Wyoming, adjoining Yellowstone and Grand Teton National Parks and within the Greater Yellowstone Ecosystem, the largest remaining area of undeveloped land in the 48 conterminous United States. It is noted for its unusual scenery and natural features, large and diverse wildlife populations, and habitat for threatened and endangered species.

The Forest contains the headwaters of 4 major river basins: the Yellowstone (Missouri/Mississippi Basin); Snake (Columbia); Green (Colorado); and the Bear River (Great Basin). Seven major mountain ranges are found within the Forest Boundaries. These mountain ranges are part of the northern Rocky Mountains and include part of the striking Teton Range and Wind River Mountains.

The Forest borders Jackson Hole, famous in the history of early explorers and fur traders, and winter home of the well-known Jackson elk herd. The Forest, with its Supervisor's Office in Jackson, is composed of the Jackson, Blackrock, Pinedale, Big Piney, Greys River, and Kemmerer Ranger Districts.

North Zone

- There are 2 fire/duty stations on the North Zone, Jackson and Moran (Blackrock RD).
- The North Zone staffs 1 Type 4 engine out of Jackson and helps staff a interagency Type 3 engine out of Moose.
- There are 2 Type 3 Helicopters hosted on the Jackson RD with a Interagency 20 person helitack crew.

- The Blackrock RD hosts the Interagency Teton Fire Module.
- Housing may be available.

For specific community information please refer to the following civic web pages: www.jacksonholechamber.com , <http://www.tetonwyo.org/>

West Zone

- There are 2 fire/duty stations on the West Zone, Kemmerer and Afton.
- The West Zone staffs 2 engines; one Type 4 engine and one Type 6 engine.
- Housing will be available in Afton. Housing may be available in Kemmerer.

For specific community information please refer to the following civic web pages: <http://kemmerer.org/> , www.aftonwyoming.net/

East Zone

- There are 2 fire/duty stations on the East Zone, Pinedale and Big Piney.
- The East Zone staffs 2 engines; one Type 4 engine and one Type 6 engine.
- Housing may be available.

For specific community information please refer to the following civic web pages: <http://www.pinedaleonline.com/> , <http://www.bigpiney.com/> , <http://sublette.com/>

How to Apply

You can apply for any of these positions with the announcement numbers at “USAJOBS” website by the application closing date. If you are interested, submit your application before the November 15 2017 closing date.

Review the Region 4 Fire Hire website at: <http://www.fs.usda.gov/detail/r4/fire-aviation?cid=stelprdb5375168>

USAJOBS, the application website, has good help links and instructional information to help walk applicants through the application process. <https://www.usajobs.gov/>

Job specific questions can be directed to hiring contacts on this outreach.

For further hiring questions we have provided our Agency’s HR contact info here:

AGENCY CONTACT INFO

HRM Contact Center Phone: 877-372-7248 Option 2

Fax: 866-338-3718 TDD: 800-877-8339

Email: fsjobs@fs.fed.us

All applicants must attach a current copy of their IQCS Master Record to their application. Applicants will need to select Moran, Moose, Jackson, Afton, Kemmerer, Pinedale or Big Piney to identify the duty location(s) related to the position(s) they are interested in.

Through the announcement you will be instructed to electronically attach additional information (eg; resume, SF-50, training documentation/ certificates, college transcripts, performance appraisals, etc.)

The Process and Timeline

October 04 – Regional outreach begins. Information is available on the Intermountain Region’s website listing all vacant permanent fire vacancies and locations for the GS-0462-03 thru GS-0462-09.

November 1, 2017 – Vacancy announcements open in USAJobs for 30 days.

November 15, 2017 Application deadline. Apply through USAJOBS, www.usajobs.gov. Applicants are encouraged to apply for multiple locations (where you will accept a position if offered), even if vacancies for certain locations are not listed as vacant, as vacancies may occur during the hiring process.

January 29 through February 3, 2018 – Reference collection weeks. Applicants need to let their supervisors know they will be contacted by Fire Hire officials requesting reference checks for the applicants.

February 12 - 16, 2018 – Selection week. Representatives from each forest will make recommendations for hiring. Applicants selected will be notified by a Forest Service representative by phone. Applicants not selected should be notified by HRM via e-mail. **It is highly recommended to be around your phone all during this week. You will have only 4 hours to respond to voicemails or emails when contacted by an official.**

Early April, 2018 – First possible effective date (excluding drug testing, transfer of station, and less than Permanent Full Time appointments). Date can be negotiated with current supervisor and employee.

All applications must be processed through USAJobs, an online application service used by the USDA Forest Service - If you are having difficulty applying for the position through USAJobs, you may also contact: **Albuquerque Service Center-Human Capital Management at 877-372-7248**

WORK CAPACITY TEST (WCT) for Wildland Firefighters: These positions participate in wildland firefighting activities. Based on the type of work performed, TAKING and PASSING the WCT at the ARDUOUS level is a "condition of employment." The Arduous fitness (Pack) test consists of a three (3) mile hike, within forty-five (45) minutes, while carrying a forty-five (45) pound pack. You are strongly encouraged to consult with your physician and begin training immediately if you are applying for this position. This announcement constitutes the required 30 days advanced notice for testing requirements.

Region 4 Fire Hire deadline for applications is November 15, 2017. Applications must be submitted before that date to be considered.

Outreach response for Fire Hire positions on the Bridger-Teton NF:
