

# Headwaters Golf Scramble

Calling all golfers or others who are interested in tons of fun supporting the Wildland Firefighter Foundation (WFF).

Come join us for our 4<sup>th</sup> Annual Headwaters Golf Tournament benefiting the WFF on June 3<sup>rd</sup>, 1000 shotgun start at Cedar Creek Golf Course in Star Valley, WY.

There's good options for lodging, camping or RVing in the area for those looking to make a weekend out of it like many of us are doing now. A Dutch oven dinner and beverages will be provided at the end of the tournament with many awesome raffle prizes and silent auction items up for grabs.

Please keep in mind you don't need to be a golfer to come and have fun supporting the WFF. Friends and families are welcome to participate in the event.

Registration form and fees going to the WFF need to be submitted by **May 15th**. Last year, we were at capacity for the golf tournament with how many teams signed up, so don't delay getting in your registration form!

Cedar Creek Golf Course is located in beautiful Star Valley Ranch, Wyoming. See attached flyer for details on location to send entry forms with fees, camping information and much more.
