Public Invited to Meet in Wilson

Jackson, Wyo. – Bridger Teton National Forest resource staff will host a public meeting to discuss the proposed Teton to Snake Fuels Reduction project and will be seeking public comment on July 13th at 6:30 PM at the Old Wilson School house in Wilson. The proposed project will reduce existing hazardous fuel loading, remove beetle killed snags and reduce ladder fuels within and adjacent to residential developments from the Teton Village/Grand Teton Park Boundary south along the Fall Creek road corridor to the Cottonwood Work Center. Public is invited and encouraged to participate.

Please call (307) 739-5424 for more information.
