

SAFETY WARNING

**Trails Closed M-S
6am-4pm**

Trail Users: Please take note of project boundary shown in **RED** on the map and associated trails will be closed **Monday-Saturday 6 am to 4 pm**. Within this area expect and anticipate crews working with chain saws felling trees. If you hear a chainsaw running, make sure you are not in harm's way. Fallen trees or other obstacles could be temporarily across the trail. Please respect this closure so work can be completed safely and quickly. **Maintain high situational awareness to changing conditions and maintain appropriate speed for rapidly changing trail conditions.**
