WILDLAND FIRE COURSES 2022

**BASIC FIRE SCHOOL**

**DATES:** May 31st - June 3rd  
**TIME:** 8 A.M. - 5 P.M.  
**LOCATION:** Idaho Falls - CEI

These courses provide entry level wildland firefighter skills. The courses will introduce factors affecting the start and spread of wildfire and recognition of potentially hazardous situations. Other topics include situational awareness, basic communication responsibilities, the decision making process, and teamwork principles in the wildland fire environment. NOTE” Courses include field exercises requiring full wildland fire Personal Protective Equipment (PPE). *Students are expected to complete L-180, IS-100, IS-700 online prior to starting the course*.

**S-290 INTERMEDIATE WILDLAND FIRE BEHAVIOR**

**DATES:** May 31st - June 3rd  
**TIME:** 8 A.M. - 5 P.M.  
**LOCATION:** Idaho Falls - CEI

This course builds upon the basic in S-190, Introduction to Wildland Fire Behavior, with more detailed information about characteristics and interactions of the wildland fire environment (fuels, weather, and topography) that affect wildland fire behavior for safety purposes.
