- Each crew will be available for a two-week period. Crews are available until dispatched, or the two weeks is up. If two weeks go by without a dispatch, the next crew configuration will be manifested and made available. Repeat rotation for crew 5 and beyond.
- Unless negotiated prior to manifesting, crew boss trainees will be identified for every crew. The Forest and Park have a priority list established for crew boss trainees. The trainee will be picked off the list, starting at the top and working down until the first available trainee is identified and manifested. The trainee list is in Appendix H.
- FFT1's are to be identified by Zone Duty Officers prior to mobilization and should not be assigned as FAL2 in addition to FFT1.
- FAL2 should be fully qualified as FAL2 or higher with no restrictions.
- Zones will negotiate for trainee positions if the zone cannot meet the need.
- Teton Crew Coordinator/WZ Duty Officer will work directly with the Crew Boss and trainee to ensure include 1 qualified EMT or Wilderness First Responder (WFR) on each crew manifest. EMTs or WFRs will be identified on the crew manifest with the appropriate mnemonic.
- An ICT4 should be considered for each manifest but is not required.
- It is desired to have at least one FAL1 on the crew, either manifested as such, or within the overhead structure of the crew.
- Attempts should be made for the 3rd FFT1 to be qualified as a FAL2 or higher.
