Today, Wyoming Team 2, a Type 3 incident management team, took command of the Dollar Lake Fire.

FIRE ACTIVITY:

The Dollar Lake Fire is currently at approximately 15,000 acres and 22% containment.

Firefighters on the west side of the fire continue to mop-up, secure and improve line, with crews on the north side mopping up and patrolling the fire. On the northeast side, crews are mopping up and improving control features. Firefighters in the southeastern interior portion of the fire continue to scout for opportunities for control features to tie into. Crews continue to secure the southwestern corner of the fire. The structural protection group continues to improve defensible space around the Red Cliff Bible Camp.

Note, fire activity is expected to increase as the weather becomes warmer and drier. Smoke from the fire will become more visible.

WEATHER:

Similar weather conditions are expected today, with temperatures increasing slightly and highs in the mid-60s to 70 degrees. Humidity will again drop below 30%, with a chance for showers or thunderstorms this afternoon. Wind will remain out of the northwest, with gusts reaching 20 mph. The warming and drying trend continues on Sunday as temperatures rise and humidity drops further to around or below 20%.

EVACUATIONS:

Go (Evacuation Order) Status:

A five-mile radius around Dollar Lake in the Green River Lakes area.
The Red Cliff Bible Camp area in Cora, WY.

Set (Be Prepared to Evacuate) Status:

All residences in Moose Gypsum Road, Hill Road, Valley View Trail, Hecox Road, Pine Drive; Rock Creek Road, Brookie Lane, White Point Road, Rainbow Drive, Trout Drive, Cutthroat Drive, and River Road; Cattle Drive Lane, Terrace Drive, Half-Way Drive; all residences off Galley Lane; and all residences along US Hwy 352 South to Richar Lane.

Ready (Monitor) Status:

Areas south of Richard Lane.

CLOSURES:

The Bridger-Teton National Forest has issued a closure order for the Dollar Lake Fire area. Effective immediately, the closure area encompasses the Forest east and south of Green River above its junction with Union Pass Road (FS600). Where the Green River exits Green River Lake, the lake shore becomes the boundary along to the south where it meets the Bridger Wilderness boundary. From there it follows the Wilderness boundary south to the South Fork of Gypsum Creek. Then it follows the South Fork of Gypsum Creek southwest to Hwy 352 where the pavement turns to dirt road (Forest Boundary). The area east of the road (FS600 is closed) north up to the Green River Lakes Road at its junction with Union Pass Road.

Gypsum Creek Road from the Forest boundary north and the network of roads branching off it are in the closure area and not open to the public.

For closure information please go to: <https://www.facebook.com/Bridger-TetonNF>
And <https://www.facebook.com/SubletteSheriff>

FIRE RESTRICTIONS:

Stage 1 Fire Restrictions are in effect for the Bridger-Teton National Forest. Fires are not permitted unless they are within a metal or concrete fire pit installed and maintained at a developed recreation site; liquid or gas fuel that can be turned off and no flammable materials within three feet; or a fully enclosed metal stove with a chimney and mesh screen spark arrestor.

For fire restriction information please go to: <https://www.fs.usda.gov/r04/bridger-teton/alerts/stage-1-fire-restrictions>
