

OUTREACH NOTICE OUTREACH NOTICE

**USDA FOREST SERVICE
INTERMOUNTAIN REGION, R4
Bridger-Teton National Forest
Teton Interagency Fire**

**Application period –
Announcement positions- January 4th, 2022 to January 18th, 2022**

The Bridger-Teton National Forest is committed to developing and maintaining a highly skilled workforce for wildland fire operations and fuels management. The Teton Interagency Fire and Aviation program includes a variety of specialized positions including apprentice, engine crews, fuels management, wildland fire module, helitack with shorthaul and prevention.

This outreach is for available positions on the North and West Zones of the Bridger-Teton National Forest.

All applicants must attach a current copy of their IQCS Master Record or equivalent to their USAJOBS application showing that they meet the Interagency Fire Program Management (IFPM) qualification requirements. Recommended documentation type is .PDF or .DOC. Please contact your servicing Dispatch Center or Training Officer to obtain a copy of this record and ensure that you have it attached to your USAJOBS application prior to submission. For more information on IFPM and FSFPM qualifications refer to the IFPM web page at <https://www.fs.usda.gov/sites/default/files/2021-12/IFPM-FS-FPM-Crosswalk.pdf>

More information regarding the Teton Interagency Fire Program can be found at: [Teton Interagency Fire Website](#)

About The Bridger-Teton National Forest:

At 3,400,000 acres, the B-T is the second largest National Forest in the United States outside Alaska. It lies in Western Wyoming, adjoining Yellowstone and Grand Teton National Parks and within the Greater Yellowstone Ecosystem, the largest remaining area of undeveloped land in the 48 conterminous United States. It is noted for its unusual scenery and natural features, large and diverse wildlife populations, and habitat for threatened and endangered species.

The Forest contains the headwaters of 4 major river basins: the Yellowstone (Missouri/Mississippi Basin); Snake (Columbia); Green (Colorado); and the Bear River (Great Basin). Seven major mountain ranges are found within the Forest Boundaries. These mountain ranges are part of the northern Rocky Mountains and include part of the striking Teton Range and Wind River Mountains.

The Forest borders Jackson Hole, famous in the history of early explorers and fur traders, and winter home of the well-known Jackson elk herd.

The Forest, with its Supervisor's Office in Jackson, is composed of the Jackson, Blackrock, Pinedale, Big Piney, Greys River, and Kemmerer Ranger Districts.

North Zone

- There are two fire/duty stations on the North Zone, Jackson and Moran (Blackrock Ranger District).
- The North Zone staffs one Type 4 engine out of Jackson and helps staff a interagency Type 3 engine out of Moose.
- Two Type 3 Helicopters are hosted on the Jackson RD with a Interagency 20 person helitack/shorthaul crew.
- The Blackrock RD hosts the Type 1 Interagency Teton Wildland Fire Module.
- Housing may be available.

For specific community information please refer to the following civic web pages: www.jacksonholechamber.com ,
<http://www.tetonwyo.org/>

West Zone

- There are two fire/duty stations on the West Zone, Kemmerer and Afton.
- The West Zone staffs one Type 4 engine and one Type 6 engine.
- Housing will be available in Afton. Housing may be available in Kemmerer.

For specific community information please refer to the following civic web pages: <http://kemmerer.org/> ,
