The contacts and locations are available to schedule **Quality Assurance** equipment inspections. Please call to schedule your government Quality Assurance Inspection. All inspections will be conducted in April/May. Your equipment must be **fully equipped and ready** for dispatch at the time of the inspection.

*If your equipment does **NOT** pass the first inspection, you will be given **one (1)** opportunity for a go-back inspection the week of **May 13th- May 20th, 2022**. Exact date/location TBD.*

Inspection paperwork will be emailed to vendor and the Contracting Officer once you have passed inspection.
