Supervisor:

I have reviewed the employee's qualifications and training record to ensure that all prerequisites have been met for the position above. It is understood that, by requesting a PTB for an employee, that employee and their supervisor are sure that the employee is fully competent to perform in that position.

Unit FMO/AFMO/Program Manager Signature:

Upon approval, a PTB was initiated and entered into IQCS. A copy of the PTB cover page and the original copy of this form were filed in the employee's training folder located at Hamilton Dispatch. If denied, this form was returned to the requestor with the necessary documentation.
