APPENDICES

APPENDIX A- NRCG MOBILIZATION OF MONTANA LOCAL GOVERNMENT RESOURCES

Guidelines for Montana Local Government Fire Forces (LGFF) apparatus, equipment, and personnel are hired by Northern Rockies Coordinating Group (NRCG) agencies.

APPENDIX B- COOPERATIVE AGREEMENTS

Successful fire management within the Northern Rockies geographic area requires close cooperation among a variety of federal, state and local fire departments, agencies and other organizations. Dispatchers and fire personnel must be informed and knowledgeable about the capabilities and needs of cooperators. Copies of cooperative agreements and operating plans must be made available to dispatchers and fire managers. It is generally most effective to handle cooperative efforts at a local level.

***Note:** The following agreements, plans, MOUs, and guides are dated with the most recently published date according to the source reference. More recently dated documents supersede those listed.*

Compacts

Northwest Wildland Fire Protection Agreement (Northwest Compact)

The purpose of the Northwest Compact is “...to promote effective prevention, pre-suppression and control of forest fires in the Northwest wildland region of the United States and adjacent areas of Canada...” The agreement allows the members; States of Oregon, Washington, Alaska, California, Idaho, Montana, Nevada, Hawaii, Yukon, Northwest Territories, British Columbia, Alberta and Saskatchewan to request and provide mutual aid resources from each other. “Members may request the United States Forest Service to act as the coordinating agency of the Northwest Wildland Fire Protection Agreement in cooperation with the appropriate agencies for each member”.

Great Plains Interstate Forest Fire Compact (Great Plains Compact)

North Dakota and South Dakota are member states of this compact, along with the member states of Arizona, Colorado, Kansas, Wyoming, Nebraska, Nevada, New Mexico, Arizona, Utah, and the Province of Saskatchewan. The Compact was enabled by the United States Congress and signed into federal law in 2005. The purpose of the Compact is to share forest fire prevention and suppression resources within the Compact and with other interstate forest fire Compacts across the nation.

International Agreements

Canada/United States Reciprocal Forest Fire Fighting Arrangement

This Operating Plan is to facilitate mutual assistance in wildland fire between Canada and the United States of America (USA). This plan does not override or supersede any existing cooperative wildland firefighting arrangements such as border or compact agreements. Local agencies sharing common international borders are encouraged to enter into "Border Agreements" to facilitate pre-suppression and suppression on fires posing common threat. Canada or the United States may, pursuant to this operating plan and associated authorities (see Section 3. Authority), request and receive forest fire fighting assistance from the other country.

British Columbia and NW United States Wildfire Response Border Arrangement Between British Columbia Ministry of Forests and US Forest Service Pacific Northwest, Alaska and Northern Regions and USDI, National Park Service Pacific West, Alaska and Intermountain Regions and Bureau of Land Management Oregon, Washington and Idaho State Offices

The purpose of the Arrangement is to provide the framework under which wildfire management activities, identification, initial response, mutual aid and planning allows for cooperative pre suppression and wildfire protection along the United States and Canada's British Columbia portion of the international border.

Australia Support – Policy and Operational Guidelines

The purpose of this Arrangement is to set out procedures for the exchange of Wildland Fire Management Resources between Australia and the United States and to establish a framework encouraging the Agencies to support mutual assistance and to facilitate cooperation between the Agencies.

New Zealand Support – Policy and Operational Guidelines

The purpose of this Arrangement is to set out procedures for the exchange of Wildland Fire Management Resources between New Zealand and the United States and to establish a framework encouraging the Agencies to support mutual assistance and to facilitate cooperation between the Agencies.

Mexico Support – Policy and Operational Guidelines

The purpose of the Agreement is to continue ensuring in appropriate circumstances that the Parties' wildfire protection resources are able to cross the United States-Mexico border within the Zone of Mutual Assistance for use in suppression wildfires and to collaborate on wildfire preparedness activities in that Zone and to facilitate the Parties' cooperation to suppress wildfires and to collaborate on wildfire preparedness activities outside the Zone of Mutual Assistance, including through reimbursement in the cases provided in this agreement.

Modular Airborne Firefighting Systems Operations Plan

This instruction implements Forest Service Operations Guidelines for the Modular Airborne Fire Fighting Systems (MAFFS) training and operations program. It provides guidance regarding the activation, operation, and training; and outlines actions associated with the MAFFS operations. This publication applies to Air National Guard (ANG) Wings and Air Force Reserve (AFRC) Wings authorized for MAFFS deployment and agency employees holding the appropriate wildland firefighting certifications for MAFFS operations.

National Guard

Memorandum of Agreement between Montana Department of Military Affairs, Montana National Guard and Montana Department of Natural Resources and Conservation, Forestry Division

The Cooperative Agreement outlines use and procedures for requesting assistance from the Montana National Guard for emergency firefighting aircraft, personnel and equipment for use on federal, state and private lands in Montana.

Reciprocal Fire Protection Agreement for Cooperation in Wildland Fire Suppression between Idaho Military Division and Idaho Department of Lands

The memorandum of agreement provides guidance to enhance cooperation between parties to facilitate employment of IDNG facilities, equipment and personnel for firefighting operations in Idaho.

States

Idaho

Idaho Cooperative Mobilization Agreement

This agreement describes the required procedures for certifying, mobilizing, and reimbursing Fire Service Organizations throughout the state of Idaho. It also establishes standard rates for equipment and personnel while mobilized in support of Wildfire assignments, or while hired under local agreements.
