Lucas Minton, Acting Director Fire & Aviation Management

- 2. Purpose of the Modification:** The purpose of the modification is to change language in operation plan under “Reimbursable billing and payments” for updating billing procedures.

**Original language:**

**B. Incident by Incident Process**

**1. Mutual Aid Areas:**

- a. **Minimum Billing Threshold** is \$15,000 per incident, identified by the mutual aid response zones, except for those lands identified as offset exchange.

The minimum threshold does not apply to costs incurred by cooperating fire department hired under the Idaho Cooperative Management Agreement (ICMA).

**The process for Single Protection Responsibility is as follows:**

- i. The total cost of the aircraft apparatus is billable as reimbursable assistance.

- 23 ii. When Supporting Agency expenditures (excluding aircraft apparatus) exceed the  
24 minimum billing threshold, the Supporting Agency will bill the protecting agency  
25 for their total incident costs.  
26 iii. If the Supporting Agency expenditures (excluding aircraft apparatus) don't  
27 exceed the minimum billing threshold, no reimbursement will be requested, and  
the costs will be absorbed by each Supporting Agency.

**Modified language:**
