

# NORTHERN ROCKIES GEOGRAPHIC AREA

## Resource Status

Updated: July 21, 2017 1000

Northern Rockies Preparedness Level: 4

National Preparedness Level: 4

Detailed status and assignment information for individual resources is obtained from the National Resource Ordering and Status System (ROSS). **If you have questions regarding the status or location of a resource, contact the local Dispatch Center.** This report will be published daily at 1000.

### ----- AVIATION -----

Note: Due to sensitive nature of aviation information, the AVIATION section of this document will not be posted on the public version of this Resource Status report.
