July 28, 2007
NW MAC – 2007 Decision 15

Documentation of NW MAC Decisions

PNW Incident Priorities (*set once per day*):

<u>Fire</u>	<u>Unit</u>	<u>IC</u>	<u>Area Commander/MAC</u>
1. Initial Attack			
2. Battle Creek Complex	OR-WWF	Hoff	
3. Lightning Complex	OR-WSA	Jenning	
4. Monument Complex	OR-UMF	West	
5. Tolo	WA-NCP	Bonefeld	

Remarks:

Due to technical difficulties on the NW MAC conference call yesterday, not all pertinent information was disseminated:

1. Generally, IA was quiet with few holdover fires, even in areas where they were expected to show up.
2. Warm and dry weather over the next few days will offset all but the heaviest amounts of precipitation previously received.
