NORTHWEST AREA AIRCRAFT STATUS REPORT

Report source: ROSS/COGNOS (Posted Daily at 0900PT & 1500PT, Time stamp: central time). The Aviation Status Report is intended to identify the status of aircraft within the Northwest Geographic Area that are either: Shared Resources - not restricted in their utilization by agency or location. State aircraft do not meet this criteria. Federal Call When Needed aircraft on a fire related resource order. State aircraft assigned in ROSS to a fire in the Northwest. Includes out-of-area aircraft assigned in NW. For questions on status and locations of aircraft, please contact the local dispatch center.
