...The 1500 forecast this afternoon will be the final forecast of the 2020 season...

...Breezy to WINDY conditions again today...

DISCUSSION - Eastern Washington and eastern Oregon will remain under a NW flow aloft through the weekend and into early next week. Strong winds aloft will occasionally mix down to the surface for GUSTY winds in some areas. Showers today through Monday will mainly be confined to the Washington and northern Oregon Cascades, the northern Blue Mountains, and the Wallowa Mountains.
