

Accessing IROC

KB0010026 - [Latest Version](#)

★ ★ ★ ★ ★ 331 views

This article describes the steps for getting access to IROC.

Five Steps to Getting IROC Access

1. **Authenticate** – Go to <https://famauth.wildfire.gov> (<https://famauth.wildfire.gov>) and click either eAuth or Login.gov, depending on which one you have. If you have both, use eAuth.
2. **Select IROC** – Select IROC from the FAMIT Dashboard of available applications.
3. **Request an iNAP** – If you don't have an existing iNAP account, you'll need to request one at this point. If you already have a iNAP account, skip this step.
4. **Request Access** – If you don't have an existing IROC account, you'll need to request one at this point. If you already have an IROC account, skip this step
5. **Access IROC** – When you get to this step, you'll be logged into IROC directly. If you don't see the IROC Portal, you'll need to ask your Dispatch Manager to grant you the appropriate access.

1. Authenticating into the FAMIT Dashboard

FAMAuth is an authentication portal for Fire and Aviation Applications. IROC uses FAMAuth to authenticate users when logging in. There are two paths of authentication: e-Authentication (eAuth) and Login.gov. The URL for the FAMAuth dashboard is <https://famauth.wildfire.gov> (<https://famauth.wildfire.gov>).

Login 

Select your user type to continue

Remember my user type

 **Customer**
Public citizens conducting business with USDA Agencies >

 **USDA Employee/Contractor**
Federal employees and contractors working for USDA >

 **Other Federal Employee/Contractor**
Non-USDA federal agency employees and contractors >

- If you have a federal PIV card (Lincpass) or username/password for to login using e-Auth.
- If you have set up a Login.gov account, access it using the Public Partners (Login.gov) tab.
- If you have both an eAuth account and a Login.gov account, use eAuth and your PIV card to authenticate. Even if a PIV card reader doesn't exist, you can use your eAuth username and password

to access applications.

The image shows a web page titled "Non-USDA Federal Login". At the top left is a logo of a classical building. To the right of the logo is the title "Non-USDA Federal Login" and a question mark icon. Below the title are two links: "Need an account?" and "Not an Other Federal Employee/Contractor? Change user type". The main heading is "Select an option to continue". There are three main options, each in a rounded rectangle with a right-pointing arrow:

- PIV/CAC**: Enter PIV/CAC PIN. Includes a small icon of a PIV/CAC card.
- Login.gov**: Enter Login.gov User ID and Password. Includes a red shield icon with a white keyhole.
- eAuth User ID**: Enter User ID and Password. Includes a green shield icon with a white padlock.

Below the eAuth User ID option are two input fields:

- User ID**: A text input field with a "Forgot User ID" link to its right.
- Password**: A text input field with a "Forgot Password" link to its right.

Below the password field is a checkbox labeled "Show Password". At the bottom is a large blue button labeled "Log In".

2. Selecting IROC from the FAMIT Dashboard

There are two views to select the tiles from:

Tiles

The image shows a dashboard titled "My Applications". At the top, it says "To access your Wildland Fire Application select one of the tiles below:". Below this is the "My Applications" section. On the right, there is a "View as:" label with two radio buttons: "Logos" (unselected) and "Tiles" (selected and highlighted with a red box). Below the "View as:" are four application tiles, each with a star icon in the top right corner:

- iNAP**: Integrated National Application Portal. Includes a small icon of a green shield.
- IROC**: Interagency Resource Ordering... (This tile is highlighted with a red box). Includes a small icon of a green shield.
- WFAIP-...**: Wildland Fire Application... Includes a small icon of a green shield.
- IROC-P...**: Interagency Resource Ordering... Includes a small icon of a green shield.

Logos

1. After logging in, you will see the FAMIT dashboard showing all available applications. Click on the IROC tile to launch the application.
2. The first time you click on the IROC tile, you will be asked to enter your iNAP Account credentials in order to link the FAMAAuth account to the iNAP account.
Note: If you do not have an iNAP account, see Requesting an iNAP. If you do, skip to Requesting Access to IROC.

3. Requesting an iNAP

1. Access iNAP at <https://nap.nwcg.gov/NAP/> (<https://nap.nwcg.gov/NAP/>).
2. In the **Enter User Information** tab of the Request Access screen, fill in the required information (as indicated by asterisks) and click **Next**.

4. Requesting Access to IROC

1. In the **Request Application Access** tab of the Request Access screen, select the application and the instance. Then fill in the information for the individual who can validate your need to access IROC.

2. When done, click **Submit**.

ⓘ Requesting application access will result in a request to iNAR. To request access to more than 1 application, please click the plus button below. Once your request is reviewed, you will receive an e-mail. Please do not submit further requests until you receive this e-mail.

Application access: IROC-Interagency Resource Ordering Capability Instance(s): PROD (Standard) [−] [+]

ⓘ Enter the contact who can validate your need to access this application.

- You CAN NOT validate yourself.
- Agency employees: enter manager or supervisor.
- Contractors: enter your government contracting office personnel.

Contact's first name: Contact's last name:

Job title: Phone number: Ext (optional):

E-Mail:

5. Accessing IROC

- If you don't have an established role(s) in IROC, check with your dispatch manager to request access. (See [Organization Access for Dispatchers \(/kb_view.do?sysparm_article=KB0010131\).](#))
- If you are a dispatch manager and need to give access to IROC for someone in your organization, see [Managing Organization Access Rules \(/kb_view.do?sysparm_article=KB0010063\)](#) and [Granting Access to Vendors and Dispatchers \(/kb_view.do?sysparm_article=KB0010130\).](#)
