

# CALIFORNIA WILDLAND FIRE COORDINATING GROUP

Date: April 20, 2015

To: Incident Commanders

From: Paige Boyer, Chair, CWCG Operations Committee

Subject: CWCG Ops Representatives to IMT's

CWCG Operations Committee representatives will be assigned to each IMT to work specifically on the team succession plan. Each committee member will be coordinating with the IC and team training specialist to ensure succession progress and progress of trainees who are rostered on the IMT's. As well, we would like to identify those ready for S-520 (nominations end of August).

The CWCG representatives are assigned as follows:

NorCal 1 – Paige Boyer  
NorCal 2 – Paige Boyer  
Central Sierra – Richard Hadley  
Central Coast – Sam Marouk  
SoCal 1 – Robin Wills  
SoCal 2 – Sam Marouk  
SoCal 3 – Christie Neill  
CIIMT1 – Josh Simmons  
CIIMT3 – Christie Neill  
CIIMT4 – Brian Woodbeck  
CIIMT5 – Richard Hadley

If a CWCG representative is replaced on the Operations Committee, the agency replacement will also perform in this role.

We hope to visit you on your incidents this summer and continue the conversation.
