

Federal

Bobcat, Vegetation Fire, Los Angeles County, Update

Half mile northeast of Cogswell Reservoir, San Gabriel Canyon Federal DPA, FRA/LRA Angeles National Forest, Arcadia, Duarte, California Desert District

- 114,202 acres (+0 acres), brush and timber, 62% contained (+0% containment)
- Minimal fire behavior with backing, creeping and smoldering
- Evacuation orders/warnings still in effect
- Threats remain to Juniper Hills, Paradise Springs, Valyermo, Littlerock, Big Pines
- All roads leading into San Gabriel Canyon are closed
- Multiple trail and road closures in the area
- Continued threat to 12kV and 500kV powerlines, which power a large portion of Los Angeles
- Mt. Wilson and Mt. Disappointment remain directly threatened which contain high value critical communication equipment for numerous Federal, State and local public safety and Homeland Security Agency
- Continued patrol and mop-up
- Heat advisory has been issued from 1000 Tuesday morning to 2000 Thursday evening
- CAIIMT 11 (Fogle) in command
- Incident submitting one ICS-209 daily @ 1800

Dolan, Vegetation Fire, Monterey County, Update

Dolan Rd x Hwy 1, Ventana Wilderness
Federal DPA, FRA, Los Padres National Forest

- 124,924 acres (+0 acres), grass and brush, 87% contained (+0% containment)
- Moderate fire behavior with single tree torching, uphill runs and backing
- Evacuation warnings in place for North Fort Hunter Liggett, and parts of Colman Canyon and Relize Canyon
- Continued threat to structures and recreation sites
- Forest Order 05-07-51-20-20 Dolan Fire Emergency Area closure currently in place
- Road and trail closures in the area
- Red Flag Warning starts tonight @ 1800 through Friday @ 1800
- CAIIMT 15 (Harris) in command
- Incident submitting one ICS-209 daily @ 1800

El Dorado, Vegetation Fire, San Bernardino County, Update

Oak Glen Rd x Potato Canyon Rd, west of Oak Glen
Federal DPA, FRA, San Bernardino National Forest

- 22,744 acres (+0 acres), grass and brush, 93% contained (+0% containment)
- Moderate fire behavior with creeping and backing

09/30/2020

1845

- All camps within the San Bernardino National Forest remain closed
- Incident submitting one ICS-209 daily @ 1800

Bullfrog, Vegetation Fire, Fresno County, Update

SE of Bullfrog Lake

Federal DPA, FRA, Sierra National Forest

- 1,185 acres (+0 acres), timber and brush, 50% contained (+0% containment)
- Moderate fire behavior with torching creeping, and backing
- Threat remains to Courtright Village
- Threat to historic structures and numerous pre-historic and historic sites
- Ground resources continue to strengthen and improve control lines
- Sierra National Forest is currently under an emergency forest closure
- Fire is well established in the Dinkey Lakes Wilderness
- Incident submitting one ICS-209 daily @ 1800

Martindale, Vegetation Fire, Los Angeles County, Update

1.5 miles south of Bouquet Reservoir, Santa Clarita

Federal DPA, FRA, Angeles National Forest/ Los Angeles County

- 230 acres (-10 acres), grass and brush, 85% contained (+20% containment)
- Ground resources continue to mop-up
- Demobilization of excess equipment

Moraine, Vegetation Fire, Tulare County, Update

Moraine Creek near Avalanche Pass Trail

Federal DPA, FRA, Sequoia-Kings Canyon National Park

- 668 acres (+0 acres), timber, brush and slash, 70% contained (+0% containment)
- Minimal fire behavior with creeping and smoldering
- Full suppression using confine and contain
- Incident submitting one ICS-209 daily @ 1800

Ongoing Federal incidents submitting 1 ICS-209 weekly on Thursdays (updates will be shown on Thurs PM Summary)

- Blue Jay: 4,488 acres (+0 acres), timber and litter, 50% contained, Confine and monitor strategy
- Wolf: 1,087 acres (+0 acres), timber with grass understory, 35% contained, Confine and monitor strategy
- Rattlesnake: 4,070 acres (+0 acres), brush and timber, 0% contained, Confine and monitor strategy
- North Whizz Dome: 75 acres (+0 acres), grass and brush, 0% contained, Confine and monitor strategy
- Horse: 35 acres (+0 acres), grass and brush, 0% contained, Confine and monitor strategy
- Snow: 6,254 acres (+0 acres), grass and brush, 95% contained, Full suppression

strategy

Deluz, Vegetation Fire, San Diego County, Final

Vandergriff Blvd. x De Luz Rd.

Federal DPA, FRA/DOD, Camp Pendleton

- 50 acres (+0 acres), grass and brush, 0% contained (+0% containment)
- Forward rate of spread stopped
- Structures threat mitigated
- Final report unless significant activity occurs

Unified Command

SQF Complex, Vegetation Fire, Tulare County, Update

3 miles east of Giant Sequoia National Monument

Federal DPA, FRA, Sequoia National Forest/Inyo National Forest

- 151,436 acres (+10 acres), chaparral and timber, 61% contained (+0% containment)
- Active fire behavior with group torching and short-range spotting
- Continued structure threat
- Mandatory orders/warnings remain in place for multiple communities
- Continued threat to multiple communities, archeological values, critical habitats, trailheads, facilities and trails, Kern Canyon Ranger Station, and other USFS facilities
- Continued evacuation orders and warnings remain in place for several communities
- Area closures for Sequoia National Forest, Inyo National Forest, Kings Canyon National Park, Balch Park, Mountain Home Demonstration State Forest, and Case Mountain Extensive Recreation Management Area
- Road and trail closures in the area
- Complex is a merge of Castle and Shotgun incidents
- Unified Command with USFS, CAL FIRE, BIA and Sequoia-Kings National Park
- CAIIMT 2 (Minton) in command of the East Castle Zone
- CAL FIRE IMT 6 (Veik) will transition West Castle Zone to CAIIMT 2 (Minton) tomorrow (10/01) @ 0700

Creek, Vegetation Fire, Fresno and Madera Counties, Update

Camp Sierra Rd x Reddin Rd, 4 miles NE of Shaver Lake

Federal DPA, FRA/SRA, Sierra National Forest/ Fresno Kings Unit

- 307,051 acres (+0 acres), timber and brush, 44% contained (+0% containment)
- Active fire behavior with uphill runs, torching and creeping
- Evacuation warnings remain in place
- Significant threat to the communities of Central Camp, Peckinpah, High Sierra Work Center, Mono Hot Springs Resort and Campground, and the Vermilion Valley Resort

- Several repeater sites are threatened including equipment for public safety
- Threat to Threatened and Endangered species; Pacific fisher, Yosemite toad, Sierra Nevada yellow-legged frog, CA Red-legged frog, willow flycatcher, bald eagle
- Threat to over 1,400 archaeological sites and 2,300-year-old Sequoia groves
- Threat to Sierra National Forest headquarters and the last surviving rail station from San Joaquin and Eastern Railroad
- Significant loss to the economic stability to the surrounding communities
- Evacuation orders/closure @1700 09/17/2020 Yosemite National Park, Sequoia and Kings Canyon National Parks
- A number of evacuations orders lifted in the southwestern area
- Multiple road closures with traffic control points HWY 168 remains closed
- Unified command USFS and CALFIRE
- Great Basin IMT 1 (Adell) in command of North Zone and CAL FIRE IMT 1 (Truax) in command of South Zone

El Dorado, Vegetation Fire, San Bernardino County, Update

Oak Glen Rd x Potato Canyon Rd, west of Oak Glen

Federal/State/Local DPA, FRA/SRA/LRA, San Bernardino National Forest, San Bernardino Unit, Yucaipa Fire Department

- 19,098 acres (+592 acres), grass and brush, 66% contained (+3% containment)
- Active fire behavior with flanking, backing and isolated tree torching
- Structures remain threatened
- Evacuation orders and warnings remain in place
- Fire is well established on the E/SE side of Hwy 38
- Threat to the communities of Angelus Oaks, Mountain Home Village, Forest Falls, Glen Martin School, Limber Spine Springs, Johns Meadow, Pine Bench, San Bernardino Peak East, San Bernardino Peak, Jack Straw Spur, Foresee Creek, Pinezanita, and scattered outbuildings
- Threats to the communities between Hwy 38 corridor and the greater Big Bear Lake communities to the north
- Continued threat to numerous cultural resources, critical infrastructure (including cell towers, radio towers, transmission lines, phone lines and transportation corridors), critical habitat for threatened and endangered species, Inventoried Roadless areas, San Gorgonio Wilderness, the Pacific Crest Trail, various campgrounds and recreational areas
- Fire is burning in steep, rugged and in-accessible terrain
- Road and trail closures in the area
- Unified command with USFS, CAL FIRE, Yucaipa Fire Department and San Bernardino County Fire
- CAIIMT 11 (Truett/Fogle) in command. Will transition with CAIIMT 13 (Wakoski), will assume command on 09/19/2020

SQF Complex, Vegetation Fire, Tulare County, Update

3 miles east of Giant Sequoia National Monument

Federal DPA, FRA, Sequoia National Forest

- 122,835 acres (+0 acres), brush and timber, 12% contained (+0% containment)
- Active fire behavior with running, group torching and short-range spotting
- Continued structure threat
- Threat to USFS Blackrock Ranger Station, Casa Vieja, Osa Meadows, Freeman Creek Sequoia Grove, Lloyd Meadows, communities of Ponderosa, Cedar Slope, Sequoia Crest, Alpine Valley, Camp Nelson, and USFS infrastructure in and around Hwy 190 and White Meadows
- Threat to RM Pyles Boys Camp, The Freeman Creek Grove and other Sequoia tree groves, the President George H.W. Bush Tree, Camp Whitsett, numerous Native American archeological values and Peppermint Fire Station
- Threat to mountain yellow-legged frog and Little Kern Golden Trout critical habitats
- Evacuation orders remain in place for communities of Pyles Camp, Ponderosa, Sequoia Crest, Alpine Village, Redwood Drive, Lloyd Meadows, Cedar Slope, Camp

Nelson, Rogers Camp, Mountain Aire, Pierre Point, Doyle Springs, Mountain Home, and Coy Flat

- Evacuation Warning for South Fork, Community of Springville, all points between Globe Drive and Balch Park Rd, the remainder of Three Rivers Area, Silver City, and Mineral King
- Camp closures in the area
- Road and trail closures in the area
- Complex is a merge of Castle and Shotgun incidents
- Unified Command with USFS, CAL FIRE and Sequoia-Kings National Park
- Type 1 NR Team 2 (Goicoechea) in command of the Castle East Zone CAL FIRE IMT 6 (Veik) in command of the Castle West Zone

Bobcat, Vegetation Fire, Los Angeles County, Update

Half mile northeast of Cogswell Reservoir, San Gabriel Canyon

Federal DPA, FRA/LRA Angeles National Forest, Arcadia, Monrovia, Duarte

- 55,617 acres (+5,078 acres), brush and timber, 9% contained (+3% containment)
- Active fire behavior with backing and flanking, uphill runs, and torching
- Continued structure threat
- Evacuation orders and warnings remain in place
- Evacuation Orders issued for Arcadia for residence north of Elkins Ave up to and including Wilderness Park, Sierra Madre north of Elkins, east of Santa Anita Ave and Santa Anita Canyon Road that include 32 homes, Chilano, 3 Point area, Angeles Crest Christian Camp, Crystal Lake and CAL Trans Yard
- Threat remains to Monrovia, Duarte, Sierra Madre, Bradbury, Azusa, Arcadia, Altadena and Pasadena, Camp Williams, Juniper Hills, Paradise Springs, Valyermo, Paradise Valley, Big Pins, Wrightwood and Fenner Canyon Conservation Camp
- Threat to 12kV and 500kV powerlines, which power a large portion of Los Angeles
- Mt. Wilson and Mt. Disappointment remain directly threatened which contain high value critical communication equipment for numerous federal, state and local public safety and Homeland Security Agency
- Threat to multiple archaeological sites, spotted owl habitat, habitat for protected fish species and commercial restoration sites
- All roads leading into San Gabriel Canyon remain closed
- In Unified Command with USFS, CAL FIRE, LA County FD and Monrovia FD
- CAIIMT 1 (McGowan) in command

Camp Sierra Rd x Reddin Rd, 4 miles NE of Shaver Lake

Federal DPA, FRA/SRA, Sierra National Forest/Fresno Kings Unit

- 212,744 acres (+10,836 acres), timber and brush, 10% contained (+2% containment)
- Active fire behavior with crowning, torching, and long-range spotting
- Continued structure threat
- Threat to communities of Huntington Lake, Big Creek, Mammoth Pools, Central Camp, Cascadel Woods, town of Shaver, Cedar Crest, Lakeshore, Tollhouse, Meadow Lakes, Alder Springs, Mathews Mill, Auberry, New Auberry, Prather, Humphreys Station, Ockerden, Peckinpah, Italian Bar, Bass Lake, North Fork, South Fork, and Wishon
- Threat to PG&E and Southern California Edison Hydro-Electric power plants that supply power to more than 2 million customers
- Several repeater sites are threatened including equipment for public safety
- Threat to Threatened and Endangered species; Pacific fisher, Yosemite toad, Sierra Nevada yellow-legged frog, CA Red-legged frog, willow flycatcher, bald eagle
- Threat to over 1300 archaeological sites and 2,300 year old Sequoia groves
- Threat to Sierra National Forest headquarters and the last surviving rail station from San Joaquin and Eastern Railroad
- Significant loss to the economic stability to the surrounding communities
- Evacuation orders remain in place
- A number of evacuation warnings were lifted in the northwestern area of the fire
- Fire area has the most significant bark beetle tree mortality in the state
- Damage inspection is ongoing
- Multiple road and trail closures including the closure of Hwy 168

- Unified command USFS and CALFIRE
- Great Basin IMT 1 (Adell) in command of North Zone and CAL FIRE IMT 1 (Truax) in command of South Zone

El Dorado, Vegetation Fire, San Bernardino County, Update

Oak Glen Rd x Potato Canyon Rd, west of Oak Glen

Federal/State/Local DPA, FRA/SRA/LRA, San Bernardino National Forest, San Bernardino Unit, Yucaipa Fire Department

- 14,478 acres (+195 acres), grass and brush, 44% contained (+3% containment)
- Moderate fire behavior with backing, creeping, and single tree torching
- Structures remain threatened
- Evacuation orders and warnings remain in place
- Fire is burning north of Hwy 38 and is well established
- Threat to communities of Angelus Oaks, Forest Falls, Yucaipa, Mountain Home Village, Pinezanita, Glen Martin School, and scattered outbuildings
- Continued threat to numerous cultural resources, critical infrastructure (including cell towers, radio towers, transmission lines, phone lines and transportation corridors), critical habitat for threatened and endangered species, Inventoried Roadless areas, San Gorgonio Wilderness , the Pacific Crest Trail, various campgrounds and recreational areas
- Fire is burning in steep, rugged and in-assessable terrain
- Road closures in area
- Unified command with USFS, CAL FIRE, Yucaipa Fire Department and San Bernardino County Fire
- CAIIMT 11 (Truet/Fogle) in command

SQF Complex, Vegetation Fire, Tulare County, Update

3 miles east of Giant Sequoia National Monument

Federal DPA, FRA, Sequoia National Forest

- 90,845 acres (+1,374 acres), brush and timber, 12% contained (+0% containment)
- Extreme fire behavior with running, group torching, and long-range spotting
- Continued structure threat
- Threat to USFS Blackrock Ranger Station, Casa Vieja, Osa Meadows, Freeman Creek Sequoia Grove, Lloyd Meadows, communities of Ponderosa, Cedar Slope, Sequoia Crest, Alpine Valley, Camp Nelson, and USFS infrastructure in and around Hwy 190 and White Meadows
- Threat to RM Pyles Boys Camp, The Freeman Creek Grove and other Sequoia tree groves, the President George H.W. Bush Tree, Camp Whitsett,, numerous Native American archeological values and Peppermint Fire Station
- Threat to mountain yellow-legged frog and Little Kern Golden Trout critical habitats
- Evacuation orders in place for communities of Pyles Camp, Ponderosa, Sequoia Crest, Alpine Valley, Redwood Drive, Lloyd Meadows, Cedar Slope, Camp Nelson,

Rogers Camp, Mountain Aire, Pierre Point, Doyle Springs, Mountain Home, and Coy Flat

- Camp closures in the area
- Road closures remain in the area
- Type 1 NR Team 2 (Goicoechea) in command
- Complex is a merge of Castle and Shotgun incidents
- Incident will enter into Unified Command with CAL FIRE IMT (Veik) at 1200 to

Bobcat, Vegetation Fire, Los Angeles County, Update

Half mile northeast of Cogswell Reservoir, San Gabriel Canyon

Federal DPA, FRA, Angeles National Forest

- 36,366 acres (+3,054 acres), brush and timber, 6% contained (+0% containment)
- Moderate fire behavior with up-hill runs, torching, and spotting
- Continued structure threat
- Evacuation orders are in place for San Gabriel Canyon, Camp Williams, Arcadia north of Elkins Ave up to Wilderness Park, Sierra Madre north of Elkins, east of Santa Anita Ave, and Santa Anita Canyon Road
- Threat remains to Monrovia, Duarte, Sierra Madre, Bradbury, Azusa, Arcadia, Altadena and Pasadena
- Threat to 12kV and 500kV powerlines, which power a large portion of Los Angeles
- Mt. Wilson and Mt. Disappointment remain threatened which contain high value critical communication equipment
- Threat to multiple archaeological sites, spotted owl habitat, habitat for protected fish species and commercial restoration sites
- Road closures in the area
- The recent Ranch 2 and fish fires, and the 2009 Station fire are helping to slow down fire progression to the south and west
- Fire is burning in extremely steep terrain
- In Unified Command with USFS, LA County FD and Monrovia FD
- CAIIMT 1 (McGowan) in command

Dolan, Vegetation Fire, Monterey County, Update

Dolan Rd x Hwy 1, Ventana Wilderness

Federal DPA, FRA, Los Padres National Forest

- 118,465 acres (+1,223 acres), grass and brush, 40% contained (+0% containment)
- Active fire behavior with uphill runs, wind driven runs, and flanking
- Mandatory evacuation orders for Lucia Zone Band B2, Prewitt Ridge Zone J, South Coast Ridge Road Zone K, Zone 24, Zone 26, Zone 27, Zone 28
- Evacuation warnings in place
- Threat to critical habitat for California Red Legged Frog, Steelhead, California Tiger Salamander and the California Condor nesting sites

		<ul style="list-style-type: none"> ● Threat to the communities of Big Sur, Partington Ridge, Lucia, Limekiln State Park, Big Creek Reserve, Arroyo Seco Esalen Institute, residences, resorts, Federal and State Recreational sites and coastal watersheds ● Nacimiento-Ferguson Rd is closed to all traffic from Hwy 1 to the Fort Hunter Liggett base boundary line ● Forest Order 05-07-51-20-20 Dolan Fire Emergency Area closure currently in place ● At risk cultural values include documented village, cemetery sites, and sacred areas ● Historic period cabins and associated artifacts area also at risk ● The following roads are closed to all except residents: Los Burrow Rd, Plaskett Ridge Rd, and South Coast Ridge Rd ● Fire is within Esselen and Salinan tribal lands ● Fire in wilderness area with rough and steep terrain with limited access ● In Unified Command USFS and CAL FIRE ● Type 1 NW Team 2 (Allen) in command ● Incident submitting one ICS-209 daily @ 1800

Japatul Rd x Carveacre Rd, Community of Alpine

Federal/State DPA, FRA/SRA, San Diego Unit, Cleveland National Forest

- 17,665 acres (+0 acres), grass and brush, 79% contained (+10% containment)
- Moderate fire behavior with smoldering and creeping
- Evacuation orders and warnings have been lifted
- Repopulation in progress
- Diminishing threat to the communities of Sycuan Indian Reservation, Wood Valley, Lyons Valley, Deer Horn Valley, Alpine, Lakeside, Harbion Canyon, Chest, Granite Hills, El Cajon, Rancho San Diego, Jamul and Chula Vista
- Diminishing threat to Loveland Reservoir and the surrounding water shed areas
- Unified command with USFS and CAL FIRE
- CAIIMT 15 (Clemo) in command

Bobcat, Vegetation Fire, Los Angeles County, Update

Half mile northeast of Cogswell Reservoir, San Gabriel Canyon

Federal DPA, FRA, Angeles National Forest

- 29,245 acres (+0 acres), brush and timber, 6% contained (+0% containment)
- Active fire behavior with up-hill runs, torching, and spotting
- Continued structure threat
- Evacuation warning for the communities of Monrovia, Bradbury, Duarte, Sierra Madre, Azusa, Arcadia, Altadena, and Pasadena
- Evacuation orders are in place for San Gabriel Canyon and Camp Williams
- Threat remains to Cogswell Dam and Crystal Lake, Chantry and Foothill communities
- Threat to 500kV powerlines, which power a large portion of Los Angeles
- Mt. Wilson and Mt. Disappointment remain threatened which contain high value critical communication equipment
- Threat to multiple archaeological sites, spotted owl habitat, habitat for protected fish species and commercial restoration sites
- Road closures in the area
- Major economic impact if power lines compromised due to potential loss of power to Los Angeles and surrounding areas

- Complex is a merge of Castle and Shotgun incidents
- Incident submitting one ICS-209 daily @ 1800

Dolan, Vegetation Fire, Monterey County, Update
 Dolan Rd x Hwy 1, Ventana Wilderness
 Federal DPA, FRA, Los Padres National Forest

- 111,382 acres (+0 acres), grass and brush, 26% contained (+0% containment)
- Active fire behavior with uphill runs, wind driven runs, and flanking
- Mandatory evacuation orders for Lucia Zone B and Prewitt Ridge Zone South Coast Ridge Road Zone K, Gorda Zone L, Zone 24 West of Reliz Canyon Road to Arroyo Seco Road, Zone 26 West of James Burg Road to Cahoon Ranch Road, Zone 27 Santa Lucia Road to Del Venturi Road, Zone 28 Reliz Road to Jolon Road
- Evacuation warnings in place for Salmon Creek, Zone M, Zone 14A west, Zone 25, Zone 28, Zone 29, Zone 30 and Zone 31
- Threat to critical habitat for California Red Legged Frog, Steelhead, California Tiger Salamander and the California Condor nesting sites
- Threat to the communities of Big Sur, Partington Ridge, Lucia, Limekiln State Park, Big Creek Reserve, Arroyo Seco Esalen Institute, residences, resorts, Federal and State Recreational sites and coastal watersheds
- Nacimiento-Ferguson Rd is closed to all traffic from Hwy 1 to the Fort Hunter Liggett base boundary line, includes the intersection with South Coast Ridge Rd at Nacimiento-Ferguson Road Summit
- Forest Order 05-07-51-20-20 Dolan Fire Emergency Area closure currently in place
- At risk cultural values include documented village and cemetery sites along the coast and lower drainages, as well as sacred areas along North Coast Ridge Road
- Historic period cabins and associated artifacts area also at risk
- The following roads are closed to all except residents: Los Burrow Rd, Plaskett Ridge Rd, and South Coast Ridge Rd
- Fire is within Esselen and Salinan tribal lands
- Fire in wilderness area with rough and steep terrain with limited access
- Type 1 NW Team 2 (Allen) in command
- Incident submitting one ICS-209 daily @ 1800

Bell, Vegetation Fire, Tuolumne County, Update
 North of Bear Lake, Emigrant Wilderness
 Federal DPA, FRA, Stanislaus National Forest

- 49 acres (+0 acres), timber, 0% contained (+0 containment)
- Slow rate of spread
- Burning in the Emigrant Wilderness
- Full suppression fire, no resources available

Moraine, Vegetation Fire, Tulare County, Update
Moraine Creek near Avalanche Pass Trail
Federal DPA, FRA, Sequoia-Kings Canyon National Park

- 575 acres (+0 acres), timber and grass understory, 70% contained (+0% containment)
- Full suppression and confine strategy
- Incident submitting one ICS-209 daily @ 1800

Blue Jay, Vegetation Fire, Mariposa County, Update
4 miles south White Wolf campground, 1 mile west of Lukens Lake trail
Federal DPA, FRA, Yosemite National Park

- 3,132 acres (+2,624 acres), timber and litter, 20% contained (+5% containment)
- Incident caused by lightning
- Moderate fire behavior with smoldering, backing, and short-range spotting
- Monitor and confine strategy
- Incident submitting one ICS-209 weekly Thurs @ 1800

Wolf, Vegetation Fire, Tuolumne County, Update
2 miles north of SR 120 x White Wolf Rd
Federal DPA, FRA, Yosemite National Park

- 624 acres (+130 acres), timber with grass understory, 10% contained (+10% containment)
- Minimal fire behavior with smoldering, creeping, and spotting
- Monitor and confine strategy
- Incident submitting one ICS-209 weekly Thurs @ 1800

Rattlesnake, Vegetation Fire, Tulare County, Update
Rattlesnake Trail x Big Arroyo Trail
Federal DPA, FRA, Sequoia-Kings Canyon
National Park

- 1,441 acres (+291 acres), brush and timber,
- 0% contained (+0% containment)
- Moderate fire behavior with group torching,
- short-range spotting, and smoldering
- Fire is in an area with rugged and steep
- terrain
- Confine and monitor
- Incident caused by lightning
- Incident submitting one ICS-209 weekly Thurs @ 1800

Unified Command

Creek, Vegetation Fire, Fresno County, Update
Camp Sierra Rd x Reddin Rd, 4 miles NE of Shaver Lake
Federal DPA, FRA/SRA, Sierra National Forest/Fresno Kings Unit

- 175,893 acres (+0 acres), timber and brush, 6% contained (6% containment)
- Active fire behavior with running, torching, and spotting
- Continued structure threat
- Threat to communities of Huntington Lake, Big Creek, Mammoth Pools, Central Camp, Cascadel Woods, town of Shaver, Cedar Crest, Lakeshore, Tollhouse, Meadow Lakes, Alder Springs, Mathews Mill, Auberry, New Auberry, Prather, Humphreys Station, Ockerden, Peckinpah, Italian Bar, Bass Lake, North Fork, South Fork, and Wishon
- Threat to PG&E and Southern California Edison Hydro-Electric power plants. If damaged/destroyed, over 2 million customers in San Joaquin Valley will be affected
- Threat to multiple repeater sites, Fresno SO, CAL FIRE, USFS, Southern California Edison
- Threat to Threatened and endangered species; Pacific fisher, Yosemite toad, Sierra Nevada yellow-legged frog, CA Red-legged frog, willow flycatcher, bald eagle, Sierra Nevada red fox and their critical habitats
- Threat to multiple Native American tribal communities and cultural resources of over 1300 archaeological sites
- Threat to historic Forest Service Guard Station, the oldest homesteader cabin on the Forest, the last surviving rail station from the San Joaquin and Eastern Railroad, and the Nelder Grove, one of two Giant Sequoia groves within the Sierra National Forest
- Threat to China Peak Ski Resort, which is housing a 1,000 lbs. of explosives used for avalanche control
- Evacuation orders remain in place
- Fire area has the most significant bark beetle tree mortality in the state
- Multiple road and trail closures including the closure of Hwy 168
- Unified command USFS and CALFIRE
- Great Basin IMT 1 (Adell) in command of North Zone and CAL FIRE IMT 1 (Truax) in command of South Zone

El Dorado, Vegetation Fire, San Bernardino County, Update
Oak Glen Rd x Potato Canyon Rd, west of Oak Glen
Federal/State/Local DPA, FRA/SRA/LRA, San Bernardino National Forest, San Bernardino Unit, Yucaipa Fire Department

- 13,592 acres (+982 acres), grass and brush, 31% contained (8% containment)
- Active fire behavior with flanking, single tree torching, and backing
- Structures remain threatened
- Evacuation orders remain in place
- Fire has spotted over Hwy 38 and become well established below Angelus Oaks
- Threat to communities of Angelus Oaks, Forest Falls, Yucaipa, Mountain Home Village, Pinezanita, Glen Martin School, Mile High Ranch, Pine Mtn Bench and apple orchards in Oak Glenn

- Continued threat to cultural resources, critical infrastructure, commercial buildings, critical habitats and endangered species
- Threat to the San Gorgonio Wilderness including the Pacific Crest Trail and will impact Class 1 airshed
- Vegetation is critically dry and receptive to spotting
- Fire is burning in steep, rugged and in-assessable terrain
- Damage inspection is ongoing
- Road closures in area
- Unified command with USFS, CAL FIRE, Yucaipa Fire Department and San Bernardino County Fire
- CAIIMT 11 (Fogle) in command
- Federal air and ground resources assigned

Valley, Vegetation Fire, San Diego County, Update
 Japatul Rd x Carveacre Rd, Community of Alpine
 Federal/State DPA, FRA/SRA, San Diego Unit, Cleveland National Forest

- 17,665 acres (+0 acres), grass and brush, 35% contained (+3% containment)
- Active fire behavior with uphill runs, single tree torching, and backing
- Continued structure threat
- Evacuation orders remain in place
- Road closures in the area
- Continued threat to the communities of Sycuan Indian Reservation, Wood Valley, Lyons Valley, Deer Horn Valley, Alpine, Lakeside, Harbion Canyon, Chest, Granite Hills, El Cajon, Rancho San Diego, Jamul and Chula Vista
- Threat to Loveland Reservoir and the surrounding water shed areas
- Threat to Sunrise Powerlink powerlines, which provides power to a large portion of San Diego County
- Unified command with USFS and CAL FIRE
- CAIIMT 15 (Clemo) in command

Bobcat, Vegetation Fire, Los Angeles County, Update
 Half mile northeast of Cogswell Reservoir, San Gabriel Canyon
 Federal DPA, FRA, Angeles National Forest

- 23,890 acres (+0 acres), brush and timber, 6% contained (+6% containment)
- Active fire behavior with uphill runs, flanking, and short-range spotting
- Continued structure threat
- Threat to municipalities of Monrovia, Bradbury, Duarte, Sierra Madre, Azusa, Arcadia, Altadena, and Pasadena
- Threat remains to Cogswell Dam and Crystal Lake, Chantry and Foothill communities
- Threat to 500kV powerlines, which power a large portion of Los Angeles
- Threat to communication facilities and observatory on Mt. Wilson
- Threat to multiple archaeological sites, spotted owl habitat, habitat for protected fish species and commercial restoration sites
- Evacuations remain in place

		<ul style="list-style-type: none"> ● Road closures in the area ● All roads leading into San Gabriel Canyon, Hwy 39 north of Azusa to Crystal Lake Road, SR2 between Short Cut Saddle and Islip Saddle are closed ● Major economic impact if power lines compromised due to potential loss of power to Los Angeles and surrounding areas ● Fire is burning in extremely steep terrain ● In Unified Command with LA County FD and Monrovia FD ● CAIIMT 1 (McGowan) in command

- Rattlesnake: 1,150 acres (+0 acres), brush and timber, 0% contained, Confine and monitor strategy

Unified Command

Creek, Vegetation Fire, Fresno County, Update
 Camp Sierra Rd x Reddin Rd, 4 miles NE of Shaver Lake
 Federal DPA, FRA/SRA, Sierra National Forest/Fresno Kings Unit

- 163,138 acres (+10,305 acres), timber and brush, 0% contained (0% containment)
- Active fire behavior with crowning, wind driven runs and long-range spotting
- Continued structure threat
- Threat to communities of Huntington Lake, Big Creek, Mammoth Pools, Central Camp, Cascadel Woods, town of Shaver, Cedar Crest, Lakeshore, Tollhouse, Meadow Lakes, Alder Springs, Mathews Mill, Auberry, New Auberry, Prather, Humphreys Station, Ockerden, Peckinpah, Italian Bar, Bass Lake, North Fork, South Fork, and Wishon
- Threat to PG&E and Southern California Edison Hydro-Electric power plants. If damaged/destroyed, over 2 million customers in San Joaquin Valley will be affected
- Threat to multiple repeater sites, Fresno SO,CAL FIRE, USFS, Southern California Edison
- Threat to Threatened and endangered species; Pacific fisher, Yosemite toad, Sierra Nevada yellow-legged frog, CA Red-legged frog, willow flycatcher, bald eagle, Sierra Nevada red fox and their critical habitats
- Threat to multiple Native American tribal communities and cultural resources of over 1300 archaeological sites
- Threat to historic Forest Service Guard Station, the oldest homesteader cabin on the Forest, the last surviving rail station from the San Joaquin and Eastern Railroad, and the Nelder Grove, one of two Giant Sequoia groves within the Sierra National Forest
- Threat to China Peak Ski Resort, which is housing a 1,000 lbs of explosives used for avalanche control
- Evacuation orders remain in place
- Fire area has the most significant bark beetle tree mortality in the state
- Multiple road and trail closures including the closure of Hwy 168
- North Zone Red Flag warning extended until 2000 Wednesday, for gusty winds and low humidity
- South Zone Red Flag warning extended until 2000 Wednesday, easterly Mono winds will continue with gusts to 30 mph
- Unified command USFS and CALFIRE

- Great Basin IMT 1 (Adell) in command of North Zone and CAL FIRE IMT 1 (Truax) in command of South Zone

El Dorado, Vegetation Fire, San Bernardino County, Update

Oak Glen Rd x Potato Canyon Rd, west of Oak Glen

Federal/State/Local DPA, FRA/SRA/LRA, San Bernardino National Forest, San Bernardino Unit, Yucaipa Fire Department

- 11,479 acres (+220 acres), grass and brush, 19% contained (+0% containment)
- Active fire behavior with backing, isolated torching and smoldering
- Structures remain threatened
- Evacuation orders remain in place
- Threat to communities of Forest Falls, Yucaipa, Mile High Ranch, Pine Mtn Bench and apple orchards in Oak Glenn
- Threat to Hwy 38
- Continued threat to cultural resources, critical infrastructure, commercial buildings, critical habitats and endangered species
- Threat to the San Gorgonio Wilderness including the Pacific Crest Trail and will impact Class 1 airshed
- Vegetation is critically dry and receptive to spotting
- Fire is burning in steep, rugged and in-assessible terrain
- Damage inspection is ongoing
- Red flag warning in effect for next 12 hours, due to Santa Ana conditions with wind gusts of 25-40 mph
- Road closures in area
- Unified command with USFS, CAL FIRE, Yucaipa Fire Department and San Bernardino County Fire
- CAIIMT 11 (Fogle) in command
- Federal air and ground resources assigned

Valley, Vegetation Fire, San Diego County, Update

Japatul Rd x Carveacre Rd, Community of Alpine

Federal/State DPA, FRA/SRA, San Diego Unit, Cleveland National Forest

- 17,565 acres (+0 acres), grass and brush, 11% contained (+0% containment)
- Moderate fire behavior with flanking, creeping and wind driven runs
- Continued structure threat
- Evacuation orders remain in place for Lawson Valley, Japatul Valley, Corte Madera Ranch, Lyons Valley, Carveacre and WiseCarver
- Evacuation warnings for Pine Valley, Descanso, Alpine, Viejas, Dulzura, Barrett Junction and Potrero
- Road closures in the area
- Continued threat to the communities of Sycuan Indian Reservation, Wood Valley, Lyons Valley, Deer Horn Valley, Alpine, Lakeside, Harbion Canyon, Chest, Granite Hills, El Cajon, Rancho San Diego, Jamul and Chula Vista

		<ul style="list-style-type: none"> ● Threat to Loveland Reservoir and the surrounding water shed areas ● Threat to Sunrise Powerlink powerlines, which provides power to a large portion of San Diego County ● Damage inspection is ongoing ● Unified command with USFS and CAL FIRE ● CAIIMT 15 (Clemo) in command <p>Bobcat, Vegetation Fire, Los Angeles County, Update Half mile northeast of Cogswell Reservoir, San Gabriel Canyon Federal DPA, FRA, Angeles National Forest</p> <ul style="list-style-type: none"> ● 11,456 acres (+1,112 acres), brush and timber, 0% contained (+0% containment) ● Active fire behavior with uphill runs, wind driven runs and short-range spotting ● Continued structure threat ● Threat to municipalities of Monrovia, Bradbury, Duarte, Sierra Madre, Azusa and Arcadia ● Threat remains to Cogswell Dam and Crystal Lake, Chantry and Foothill communities ● Threat to 500kV powerlines, which power a large portion of Los Angeles ● Threat to communication facilities and observatory on Mt. Wilson ● Threat to multiple archaeological sites, spotted owl habitat, habitat for protected fish species and commercial restoration sites ● Evacuations remain in place ● Road closures in the area ● Hwy 39 remains closed north of Azusa ● Major economic impact if power lines compromised due to potential loss of power to Los Angeles and surrounding areas ● Burning in extremely steep terrain throughout San Gabriel Wilderness ● Red flag warning in effect due to northeast Santa Ana winds and low humidity ● In Unified Command with LA County FD and Monrovia FD ● Type 2 EA Silver Team (Goldman) in command

Unified Command

Valley, Vegetation Fire, San Diego County, Update
 Japatul Rd x Carveacre Rd, Community of Alpine
 Federal/State DPA, FRA/SRA, San Diego Unit, Cleveland National Forest

- 17,345 acres (+7,087 acres), grass and brush, 3% contained (+2% containment)
- Active fire behavior with crowning short-range spotting and flanking
- Continued structure threat
- Evacuation orders remain in place
- Road closures in the area

- Immediate threat to Loveland Reservoir and surrounding watershed
- Continued threat to the communities of Bob Cat Meadow, Coral Canyon, Pine Valley, Carveacre, Lawson Valley, Wood Valley, Lyons Valley, Deer Horn Valley, Sycuan Indian Reservation and Corta Madera
- Threat to Sunrise Powerlink 500 kV powerlines that supply a large portion of San Diego County
- Threat to numerous high value archeological sites
- Threat to Los Pinos Mountain communication sight and lookout
- Threat to critical habitat for the Arroyo Toad and Quino Checkerspot butterfly
- Threat to Barrett Lake, Morena Reservoir, Loveland Reservoir and the surrounding water shed areas
- Red Flag warning for a strong offshore wind poses potential for extreme fire behavior and rapid rate of spread and could impact a multitude of structures in the Alpine area south of the Hwy 94 corridor.
- Damage inspection team in place
- Unified command with USFS and CAL FIRE
- CALIMT 15 (Harris) in command

Creek, Vegetation Fire, Fresno County, Update
 Camp Sierra Rd x Reddin Rd, 4 miles NE of Shaver Lake
 Federal DPA, FRA/SRA, Sierra National Forest/Fresno Kings Unit

- 135,523 acres (+56,733 acres), timber and brush, 0% contained (0% containment)
- Extreme rate of spread with crowning, wind driven runs and long-range spotting
- The fire crossed over Highway 168 is moving south with extreme fire behavior
- Fire continued to grow in all directions with large increase to the south and east
- Structures remain threatened
- Evacuation orders in place for Camp Sierra, Shaver Lake, Big Creek, Huntington Lake, Mammoth Pools, Central Camp, Cascadel Woods, Auberry, New Auberry, Peckinpough, Italian Bar, Bass Lake, North Fork, South Fork, Fish Camp, Wawona and structures along Forest 81 Road
- Multiple road and trail closures in the area including closure of Hwy 168
- Threat to PG&E and Southern California Edison Hydro-Electric power plants. SCE high voltage power lines that supply power to 250,000 customers and 2 million customer in the San Joaquin Valley.
- Threat to multiple repeater sites
- The fuels continued to be the main influence of the fire, with heavy fuel loading from dead and down material due to 80-90 percent tree mortality
- Infrastructure threat to multiple schools, rural fire stations, Sherriff substation, and water pump stations
- Threat to Threatened and endangered species; Pacific fisher, Yosemite toad, Sierra Nevada yellow-legged frog, CA Red-legged frog, willow flycatcher, bald eagle, Sierra Nevada red fox and their critical habitats

- Threat to multiple Native American tribal communities and cultural resources of over 1200 archaeological sites
- Forecasted increase in winds will clear the air of smoke allowing heating of the fuels and increasing the potential for a plume dominated fire with the potential to spot up to 5 miles
- Damage inspection team ordered
- FMAG application approved
- Unified command USFS and CALFIRE
- CAL FIRE IMT 1 (Truax) in command
- The fire will be zoned tomorrow at 0600. Great Basin IMT 1 (Adell) will assume command of the North Zone tomorrow at 0600. CAL FIRE IMT 1 (Truax) will remain in command of the South Zone

El Dorado, Vegetation Fire, San Bernardino County, Update

Oak Glen Rd x Potato Canyon Rd, west of Oak Glen

Federal/State/Local DPA, FRA/SRA/LRA, San Bernardino National Forest, San Bernardino Unit, Yucaipa Fire Department

- 9,671 acres (+2,285 acres), grass and brush, 7% contained (+0% containment)
- Active fire behavior with running, flanking and group torching
- Structures remain threatened
- Evacuation orders in place
- Road closures in the area
- Red Flag warning in place, and an excessive heat warning remains in effect until 8pm Monday
- Evacuation orders for the communities of Oak Glen, Mountain Home Village, Forest Falls and Northern portion of Yucaipa north of Bryant
- Threat to the Thomas hunting grounds, Morton Peak lookout, San Gorgonio Wilderness including the Pacific Crest Trail and will impact Class 1 airshed
- Threat to power grid infrastructure and hydroelectric power plant and apple orchards in Oak Glen
- Burnout operations along Oak Glen road will continue through the night
- Damage inspection team in place
- FMAG application approved
- Unified command with USFS, CAL FIRE and Yucaipa Fire Department
- CALIMT 11 (Fogle) in command
- Federal air and ground resources assigned

Bobcat, Vegetation Fire, Los Angeles County, Update

Half mile northeast of Cogswell Reservoir, San Gabriel Canyon

Federal DPA, FRA, Angeles National Forest

- 4,871 acres (+4 acres), brush and timber, 0% contained (+0% containment)
- Active fire behavior
- Continued structure threat

		<ul style="list-style-type: none"> ● Threat to municipalities of Monrovia, Bradbury, Duarte, Sierra Madre, Azusa and Arcadia ● Threat remains to Cogswell Dam and Crystal Lake, Chantry and Foothill communities ● Threat to 500kV powerlines, which power a large portion of Los Angeles ● Threat to communication facilities and observatory on Mt. Wilson ● Threat to multiple archaeological sites, spotted owl habitat, habitat for protected fish species and commercial restoration sites ● Evacuations remain in place ● Road closures in the area ● Hwy 39 is closed north of Azusa ● Major economic impact if power lines compromised due to potential loss of power to Los Angeles and surrounding areas ● Burning in extremely steep terrain throughout San Gabriel Wilderness ● Red flag warning for excessive heat, critically low humidity and forecasted Santa Ana winds ● In Unified Command with LA County and Monrovia FD ● Type 2 EA Silver Team (Goldman) in command

- Wolf: 494 acres (+0 acres), timber with grass understory, 0% contained, Confine and monitor strategy
- Rattlesnake: 990 acres (+0 acres), brush and timber, 0% contained, Confine and monitor strategy

Unified Command

Valley, Vegetation Fire, San Diego County, Update
Japatul Rd x Carveacre Rd, Community of Alpine
Federal/State DPA, FRA/SRA, San Diego Unit, Cleveland National Forest

- 10,258 acres (+408 acres), grass and brush, 1% contained (+0% containment)
- Active fire behavior with uphill runs and wind driven runs
- Continued structure threat
- Evacuation orders remain in place
- Road closures in the area
- Immediate threat to Loveland Reservoir and surrounding watershed
- Continued threat to the communities of Carveacre, Lawson Valley, Wood Valley, Lyons Valley, Deer Horn Valley, Sycuan Indian Reservation and Corta Madera
- Threat to Sunrise Powerlink 500 kV powerlines that supply a large portion of San Diego County
- Threat to archeological sites
- Damage inspection team in place
- Unified command with USFS and CAL FIRE
- CAIIMT 15 (Harris) in command

Creek, Vegetation Fire, Fresno County, Update
Camp Sierra Rd x Reddin Rd, 4 miles NE of Shaver Lake
Federal DPA, FRA/SRA, Sierra National Forest/Fresno Kings Unit

- 78,790 acres (+5,512 acres), timber and brush, 0% contained (0% containment)

- Extreme rate of spread with crowning, uphill runs and long-range spotting
- Structures remain threatened
- Evacuation orders in place for Camp Sierra, Shaver Lake, Big Creek, Huntington Lake, Cascadel Woods and structures along Forest 81 Road
- Multiple road and trail closures in the area including closure of Hwy 168
- Threat to PG&E and Southern California Edison Hydro-Electric power plants
- Significant fire threat to the entire communities of Huntington Lake, Big Creek, Mammoth Pools, Central Camp, Cascadel Woods, town of Shaver, Bass Lake, North Fork, South Fork, Fish Camp and Wawona.
- The fire crossed over Highway 168 is moving south with extreme fire behavior
- The fuels continued to be the main influence of the fire, with heavy fuel loading from dead and down material due to 80-90 percent tree mortality
- Forecasted increase in winds will clear the air of smoke allowing heating of the fuels and increasing the potential for a plume dominated fire with the potential to spot up to 5 miles
- Damage inspection team ordered
- FMAG application approved
- Unified command USFS and CALFIRE
- Type 1 Great Basin Team 1 (Adell) ordered
- CAL FIRE IMT 1 (Truax) in command
